*Case of Hospital Assistant

service.

3. Hospital Assist.
and Joojoo sawney
Auctary will be
severely reprimand.
ed and he will be
reduced to the 3rd class
with effect from the
date from which he
was suspended by the
District Surgeon. His
promotion will also
be stopped for three
years from the date
of his reduction. *For orders.*

4. It appears from
the papers that the
Hospital Assist. Aub.
has been continuously
employed in the Burmah
District since his ap.
pointment to the depart.
ment. The Govt desires
to be informed whether
arrangements are
made by the Surgeon
General for transferring
men who have served
for some length of time
in exceptionally unhealthy
districts.

For orders.

As the Hospital Asst's re-
duction to the 3rd class will
put him down 61 places
it is suggested that his
promotion be stopped for
two years. The pay of the
2nd class is Rs. 35 and the
3rd class Rs. 25. He would
therefore lose Rs. 240 and
it would take him a
long time to regain his
present position in the
2nd class.

Order, 10th Dec 89 No 1013.

The correspondence submitted by the Surgeon General shows that 2nd class hospital assistant *pooposawmy* andary, No 283, has been guilty of wilful disobedience of the ~~lawful commands~~ ^{of his superior officers} of his superior officers.

2. No excuse could justify the hospital assistant's conduct and were it not for his previous good conduct during a service of 9 years the Govt would have no hesitation in directing his immediate dismissal from its service.

Subject

Submits remarks on
the conduct of 2nd class Hospl.
Asst. Coopooz army anchary
No 283 for wilful
disobedience of orders and
recommends his degradation
etc -

I understand the man as pro-
posed by the Surgeon General to stop
his promotion for 3 years. Time year
is very long.

I don't approve para 4 of the draft.
It is not expedient to raise such a
question, ^{but} from the to carry out the
principles suggested. Men must
take their luck in the matter.

Draft order submitted

The case is I submit one of a deliberately
insubordinate character and of a bad
type. The man evidently shirked and
from the marginal note of the Dr. Surge
on his petition to the S.G. it would appear
that when actually on cholera duty
he had shirked before. Cholera duty is
no doubt anything but pleasant work
but it was a duty contingent upon
the service which the Hopt. Asst. had
engaged to render. He evidently feared
it and made his wife and mother the
excuse for him in the first instance
the hanging back and subsequently positively
refusing to go.

Such conduct as this calls for is submitted
for severe punishment. The discipline
of this branch of the Public Service is
it is evident from recent cases during
the Ganjam famine bad and the
only way of restoring it appears to be
to make an example of the insubordinate.
I submit that the ~~best~~ ^{best} punishment can
very justly be dismissed but that
if this is thought too harsh a step
the punishment suggested by the S.G.
seems to be the least that can be
inflicted.
