Memorandum

From the Registrar High Court, Original Side, and Chief Clerk Insolvency Court,
N^o 60 of 6th November 1889.

Forwaded to the Public Department for consideration, with reference to the Proceedings marginally noted.

2. Muhammad Abdul Aziz, Clerk 3rd Class 3rd grade (Salary Rs. 56 per mensem), applied for the benefit of the Insolvency Act on the 26th August 1889, and was struck off duty and placed under suspension from that date. He obtained his discharge on the 20th October 1889, when the Court ordered that he should pay Rs. 15/- per mensem out of his salary for the benefit of his Creditors. During the period of his suspension he was granted a subsistence allowance of one fourth his salary under article 215(a) Civil Service Regulations, and a subsistence of Rs. 20/- per mensem was employed.

3. The undersigned is unable to express an opinion as to whether the Clerk's insolvency was the result of extravagance, further than to say that no indication of extravagant habits on the part of the Clerk has come under his notice. The Schedule indicates

C. 5/10
R. 7/12

For Orders.

The instrument issued the Gov. Service in 1887 and in 1888 applied for the benefit of the Act.

He attributes his indolence to domestic misfortunes and to having had a number of relatives thrown on his hands for support.

His indebtedness began apparently in 1886 and by Aug. 1887 his debts amounted to \$2694. His salary never exceeded \$4.70 per annum and he is apparently for some considerable time left.

That all his borrowings were the result of pressing needs does not seem from his schedule to be the case. He appears to have been "playing poker" with others and in some instances he alleges that he had given his name with others and received no consideration at all. His books being much like a jumble of notes and accounts the amount which he raised in this way was however nothing very large being \$1000.

His character is stated to have been good and his intentions are good.

It is submitted that the papers before Gov. do not disclose anything which would warrant the conclusion that absolutely the integrity of the instrument debt were being a fraud or an imposture and that he may, therefore be regarded with a warning that if he again has recourse to these funds he will be detected.

The only reason to this case is that at the present rate of paying off it will be many years before he can be cleared.

It does not seem to me to be other than an ordinary case in which the usual penalty should not be inflicted. But as he is recommended for restoration this may be allowed without any award of pay.
