It is intimated that the Medical
Examination of candidates who appear
for the Competitive Examination for the
Statutory Civil Service will take place
on some day between the 18th & 22nd

the B.L. degree Examination which is
held between the same dates,
I request that in the interests of
myself as well as of those who may
be under the same necessity, the
date fixed for the Medical Exam-
ination may be postponed to some
day after the 22nd of January next.

I beg to remain
Sir, your most obedient servant

This must be done, and I think we
may now fix the exact dates and issue
order for the appointment of the medical
Board.

The Imp. Gen. should be directed to
convene a medical Board to consist
of the ~~Principal Medical Officer~~
Professor of Surgery and a third officer to
be selected by him to sit on the 26th Jan'y
or following days. 27th

But I am not sure that it is in order
for us to select the Board in this way
but we must have a really good board.

The C. S. should see the Imp. Gen. and
if he has no objection to the Board being
named in the G.O. this should be done,
but whether it should be under the designation
of Physician & Surgeon
