GOVERNMENT OF MADRAS.
MILITARY DEPARTMENT.

30th April 1885, No. 1303.

Military Buildings—Stables.

Read the following papers:—

No. 296. From Brigadier-General R. O. STEWART, Quarter Master General,
to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to
Government, Mily. Dept.; dated Ootacamund, 19th Dec. 1884, No. 2511-A.

Some confusion and difficulty having been experienced in regard to the existing allotment of stable and coach accommodation in Fort St. George, it has been considered desirable to re-allot the same to the several officers, &c., and I am accordingly desired to submit, for the approval of Government, the accompanying statement showing the revised allotment proposed, in substitution of that approved by Government in O.G., No. 1736, dated 28th May 1872.

No. 19.

Adverting to the statement forwarded with letter from the Quarter Master General, No. 2511-A., dated 19th December 1884, the Secretary to Government, Military Department, has the honor to observe that some of the officers therein named are allotted only coach-house accommodation, while others again are provided only with stable accommodation. This needs further explanation.

2. It is very desirable that His Excellency the Governor and Members of Council and the Secretaries to Government in the Revenue and Public Works departments should be allowed suitable stable accommodation (*vide* Proceedings of Government, No. 1736, dated 28th May 1872).

3. The statement is accordingly returned for revision and such further remarks as may appear necessary.

No. 298. From Brigadier-General R. O. STEWART, Quarter Master General,
to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to
Government, Mily. Dept.; dated Ootacamund, 25th Feb. 1885, No. 688-A.

With reference to your memorandum of the 19th of 5th January 1885, I have the honor, by order, to submit an amended statement of stabling and coach-house accommodation for His Excellency the Governor, the Members of Council and the Secretaries to Government in the Revenue and Public Works Departments, and to request that if it meets all requirements of Government, it will be pleased to approve of it in substitution of that published in O.G. No. 1736, of 28th May 1872.

No. 299.

existing allotment of stable and coach accommodation in the fort.

report upon certain quarters in Fort George having urged, on sanitary grounds, the necessity of removing all living from the fort to some site outside it, and the Government having sanctioned a sum of Rs. 17,800 for the erection of new stables outside the fort, the Secretary to Government, Military Department, has the honor to inquire whether under the circumstances it is considered desirable to disturb the allocation in the fort.

2. It is observed that in the proposed revised allotment (herewith returned for reference) no provision is made for stables for the Secretary to Government, Public Works Department, or for coach-house accommodation for Nos. 22, 23, 25 and 26. The arrangements proposed in these cases should, if the allotment is to be revised, be shown in the column of remarks.

FORT ST. GEORGE, (Signed) A. KENNEY-HERBERT, Lt.-Col.,
3rd March 1885. Offg. Secretary to Government.
To the Quarter Master General, with enclosure (to be returned).

No. 800. From Brigadier-General R. C. STEWART, Quarter Master General, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to Govt., Mily. Dept.; dated 30th March 1885, No. 1176-A.

With reference to your memorandum No. 1130 of 3rd March 1885, I have the honor, by order, to submit revised statement of stable and coach-house accommodation in Fort St. George, and to convey His Excellency the Commander-in-Chief's opinion that it is highly desirable that the stables sanctioned by Government in O.G., No. 4238, of 10th August 1882, for construction outside the fort should be erected as early as practicable.

2. The Commander-in-Chief considers that it would be best not to disturb existing arrangements in the fort, if it is contemplated to begin the above work at an early date; but should funds be forthcoming for the purpose, His Excellency would recommend that the allotment as per statement now submitted, which seems to provide for the requirements of all concerned, be adopted in lieu of that printed in O.G., No. 1736, of 28th May 1872.

This image is a high-contrast, black-and-white scan of a textured surface. The upper portion is predominantly white with a fine, grainy texture. The lower portion is dark and heavily textured, resembling a rock face or a piece of aged paper. A bright, irregular, and somewhat jagged shape is visible in the center, possibly representing a crack, a hole, or a specific feature on the surface. The overall image is heavily degraded with significant noise, including vertical streaks and horizontal banding, which obscures any potential details or patterns.

to be struck out. Has he
any objection to the enquiring
as to the present state of
the proposals for building
additional stables being
made? It seems desirable

It is not unreasonable con-
sidering the peculiar charac-

should provide for the

stabling of the same
as they have now to find

don't think Govt should undertake to build any more stables in order to provide accommodation for the Under Secretaries who have no beds with them.

If sufficient measure is taken on the military people's stables will be allotted for the Govt & members of Council & on other members of Council days these will be used by the Under Secretaries.
