17 November 1888

From

H. G. Turner Esquire,

Collector of Vizagapatam.

To

The Honorable J. F. Price,

Ag. Chief Secretary to Government

Fort St. George.

Sir,

Referring to G. O. 31st October 1888 et.º 1029
Public, I have the honor to report that
I have recently been to Devikolam In-
-venore, and have endeavoured to
arrange to divest myself of the interest
I hold in land in that State.

2. I believe that there will be little dif-
-ficulty in procuring a purchaser for my
interests in a short time. If there be no
objection to the purchase money lying on
mortgage, it can be done at once. But
although the land is increasing in value
by the success that has attended planting
operations in that region, and although
my price is limited to the money actually
sunk in the land, there is at the present
moment no demand for investment.

3. Besides these future contingencies, I am in correspondence with some neighbouring planters in view to the formation of a small Company to which I would transfer my interests in return for shares. The gentlemen in question are now considering the proposal and I hope to hear from them in a short time.

4. I believe that Government are in possession of the knowledge that my interest in the land is a matter of private family arrangements, and that I am in fact nothing but a shareholder in a coparcenary which is at present not large enough to form into a Company. I have no doubt at all that I shall in a short time be able either to sell my interests or to incorporate them in a Company which will come within the Government rules, but I respectfully request that a few months may be conceded to enable me to carry the negotiations to conclusion.

I have the honor to be,
Sir,

Your most obedient servant

H. J. Turner
Collector.

Replies have come from ~~about~~
all the officers to whom G.O.
31st Oct. 1888 no. 1029 regarding
lands held by civilians, was
addressed individually, except
from Lieut. Col. Campbell Walker
who is on furlough.

The letters from Surgeon Major
H. Hackett & Mr Burlton
have been disposed of by routine
orders, as the former ^{merely} referred
to his previous letter reporting
that he had divested himself
of his lands (in G.O. 549, 28th Novr)
and the latter, ~~Mr Burlton~~,
wanted to know what orders
prevented his acquiring lands. Mr
Burlton has been referred to
the orders on this subject, G.O. 30th
April 1888 no 458, & 17 Sept 88 no 909

Surgeon Major J. Smith
believes he is not now affected
by the rules ~~now~~ in question,
because he is in Military Empl.

Lieut. Col Hemming states that the 25 acres of land owned by him on the Palud Hills were ~~acquired~~ ^{he} purchased with the intention of building a shooting-box upon ^{them}, but as the idea has now been abandoned, he requests that time may be given him till the end of next year to dispose of the lands in question.

Mr H. G. Turner states that if there is no objection to his disposing of his ^{share} ~~equity~~ by means of a mortgage on conditional sale he can do so at once: else it would take him a few months to either to sell his interests or to transfer them to a company in return for shares.

of land, ^{has been} without success.

has been in saying that
"fact of India suggested".
It was the fact of Madras that
had the suggestion I pointed
from the fact of India letter -
any number can be made
on the possible difficulty which
in the: the Madras might
might arise in connection with
Mr Turner's attempt to dispose
of land held by Trustees -
I did not overlook the fact
of the fact of India directing
that Mr. Turner should be called
upon to direct himself of
"also interest in the land by
"taking it without delay" but
I did not notice it in any
remark because the necessary
now to direct himself
has been so far back in
April 23rd / 00. It is in
connection with Mr. Turner's
up to that order that the
present paper for now is
circulated. I concur
in the Hon. Col. Maugham's remarks
about D. Smith & Col. Maugham
& agree that Mr. Turner should
again be left to direct himself
of the land above & report
in 2 (or) 3 months.
But I am almost sure he will

again report his inability
to sell either because he
can't get a buyer or because
his Trans-Union won't sell - with
his views of the latter con-
-fusing I thought the staff
of the New York might
adopted - Write however
in time enough to try it
when Mr. Turner reports again
his inability to direct himself

From

Lieut. Colonel D. Henning

To,

The Honble Mr. J. F. Price

Chief Secretary to Government

Sir,

With reference to G.O. No. 1029 Public, dated the 31st October 1888, I have the honour to state that the late Colonel Alfred Ellis and I bought the land in question, the plots being contiguous, with the intention of building a shooting-box upon it, and that after the death of Colonel Ellis I purchased his share of the land from his heir-at-law.

2. As there is now little or no prospect that the original idea will be realized, at
least

least within any assignable period, I am
prepared, if the Government desire me to do
so, to take measures to sell the land
before the end of next year.
