2. The extra cost will amount to Rupees 735 according to the enclosed estimate, which it is hoped Government may be able to sanction, as the value of the book will be considerably increased by the insertion of the illustrations.

The cost of the illustrations
is more than the ^{original} estimate
for printing & binding
the book, viz; Rs. 500.
If the Secy or Mr. Porter might
have thought about the illustrations
before he wrote Mr. Bidie first
I would have suggested the publication of his
papers in form. If it had been
known then that the cost (including
illustrations) was Rs. 1200
Mr. Porter might have hesitated before
agreeing to print 500 copies.
And it is worthy of notice that
Mr. Bidie in his letter
in No. 12.8.88 said that 500
copies for distribution & for
Mr. Porter to have to pay for
them he wrote for his own use,
it now appears that Mr. Porter
sent 210 copies, & that Mr. Porter
is there as many of the rest as
he wants. per!
