THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT.

PORT ST. GEORGE.

SIR,

I have the honor to inform you  
that on receipt of G. O. dated 11<sup>th</sup> April 1889,  
N<sup>o</sup>. 650, Judicial, calling for a report  
as to whether the Board would recom-  
mend any and if so what portions of  
Mr. Gribble's book on Medical Jurispru-  
dence being prescribed for examinations  
conducted by them, I addressed the  
Commissioner for the W. C. & C. Examinations  
and have now been put in possession  
of copy of his report to Government, 1889,  
dated 25<sup>th</sup> October 1889.

the ~~honorable~~ ~~other~~ ~~...~~ I  
concur with Mr. Grigg as to the  
inexpediency of adopting Mr. Gribble's  
work on Medical Jurisprudence  
as the text book for the judicial  
examination, I consider that a  
simpler and better plan than that  
which he recommends would be  
to refer at once to Messrs. Lyon and  
Annerarity, and enquire whether they  
will be prepared to compile a Manual  
for use in this Presidency as text  
books from the Chapters of their large  
work quoted by Mr. Grigg. I am of  
opinion that Messrs. Lyon and Annerarity  
will, in all probability, readily agree  
to this proposition in which case the  
publication

3. As regards the changes to be intro-  
duced in the examinations conducted by  
this Board, I would suggest that  
Medical Jurisprudence be included in  
Division B. of the lower and higher  
standards for civilians, the maximum  
number of marks to be assigned to the  
subject being 80, and the minimum 50.  
The questions for both examinations  
may be answered without books.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—again the following paper:—

G.O., dated 11th April 1889, No. 650, Judicial.

ABSTRACT.—Directing that Medical Jurisprudence be made a subject of examination in certain tests, and requesting report as to the changes that will have to be made in the rules of those examinations for this purpose.

READ—also reports from the several officers consulted.

ORDER—dated 12th December 1889, No. 2119, Judicial.

In G.O., 11th April 1889, No. 650, Judicial, the Government directed the inclusion of Medical Jurisprudence among the subjects prescribed for the Judicial Special Tests, Criminal Higher and Lower Grades, and for the Standard Examinations for Covenanted Civil Servants; and the Commissioner for the Uncovenanted Civil Service Examinations and the President, Board of Examiners, were requested to report what changes should be made in the rules for those examinations, and whether any, and if so what, portions of Mr. Gribble's work on Medical Jurisprudence should be prescribed. The Inspector-General of Police was at the same time instructed to include the subject in the Law Test prescribed for Gazetted Police Officers and Inspectors of Police, and the Honorable the Judges of the High Court were requested to consider whether it would not be desirable to include it among the subjects for the Pleadership examination.

2. The replies received show that there is some diversity of opinion as to the text-book which should be prescribed for the several examinations, but His Excellency the Governor in Council is of opinion that Mr. Gribble's work, which meets with the approval of the High Court, may be adopted for all the examinations above named. The Commissioner for the Uncovenanted Civil Service Examinations will report whether the entire book, or only particular chapters, should be prescribed for the Criminal Tests, Higher and Lower Grades. The chapters \* proposed by the Inspector-General of Police for the Police examination are approved.

\* The Introductory Chapter, Chapters 1, 2, 3 and 5 in Part I, and Chapters 1 and 2 in Part II without any illustrative cases.

3. The action necessary to give effect to the opinion expressed in the letter of the Registrar of the High Court, No. 1718, dated 16th July 1889, will doubtless be taken by the Honorable the Judges under section 6 of the Legal Practitioners' Act, 1879.

4. Orders will be issued in the Public Department on the letter from the President, Board of Examiners, of the 28th October 1889.

Ref: Adgr. 18 Jan'y '90

It has been decided  
in G. O. Judicial No. 2119,  
of 12.12.89 that Mr. Britton's  
work on medical juris-  
prudence shall be adopted  
as the text book for <sup>all</sup> Examin-  
inations but it remains  
to be settled whether the  
whole book shall be presented  
or not. The President, Board  
of Examiners, will be re-  
quested to give his opinion  
on the point.

2. With reference to para: 3 of the letter read above the Govt. considers that there should be a difference between the higher & lower standard for civilians and

and if the whole book is prescribed it should be only for the former. It is probable that the division that may be adopted for the Higher and lower Special Tests will also be suitable for the exam. conducted by the Board.

SIR,

In reply to reference dated 8<sup>th</sup> January 1890 forwarding copy of P.O. 12 December 1889, No. 2119 Judicial, and requesting my opinion as to the position of Mr. Gibbles' work on Medical Jurisprudence which should be adopted in the Examination of Assistants by the higher and lower standards. I have the honor to report that, in my opinion, the whole book, with the exception of Chapter ~~V~~ of Part II and the Appendix, may be used for both Examinations.

2. The book is a very short and simple one, which can be easily got up in a short space of time.
