settled down in Madras
and my retirement. I am
descendant of a warlike
family whose ancestors
rendered valuable
services to the late General
Harris during the capture
of Seringapatam. This
gentleman was pleased to
see that a certain extent of
rain lands was assigned
to my ancestors in the
village of Servalymedur,
two miles from Cojimb-
waram Taluk, which they
enjoyed free of tax for
more than a century. The
some years since, these
lands were subjected to
light impost.

I feel to submit
that when I was Translator
in the Collector's Office,
South Arcot, it happened
to come to the knowledge
of Lord Harris, a late

Governor of Madras, that
I belong to a family who
did great service to General
Harris; and his Lordship
was pleased to take some
interest in my welfare
which was the means
of my advancement in
official position as Tahildar.

May I be permitted
modestly to mention that
I have a son - Duraiswamy
Mudaly - who is employed
in the District Munsiff's
Court, Trevelliputhur
Taluk, of the Tinnevely
District, on a salary of
Rupees 40 per mensem. He
has devoted himself to an
extensive course of legal
studies, and the knowledge
so acquired with his
practical experience in
official business in the
District as well as Munsiff
Courts where he has been

employed for the past 10
years renders him, I
humbly submit, eligible
for a better post. He
has passed the most im-
portant judicial and
revenue tests noted in
the margin.

District

Magistrate

Under such
circumstances, may I
venture, respectfully,
to approach your Lordship
with this humble Petition
to solicit a favour, viz:-
that your Lordship, out
of your infinite generosity
and grace, be graciously
pleased to favourably
view my son's circumstances
in life, and in consideration
of my ancestors' services
to the State, and my
being an old public
servant, to further his
advancement to a higher and

better appointment, either
in the mofussil or in
any of the public Office
in Madras.

6. I myself,
as Tahsildar, was considered
a useful public servant.
The long record of good
services I, in my official
capacity, had rendered
towards the increase of
revenue in the different
Talukhs I have served was
such as to gain the high
approbation of my official
superiors.

7. The enclosed
copies of Testimonials
given me, and my son
by G. F. Smith Esqre
of the Civil Service,
will speak to the honesty
& fidelity that have
marked the official
conduct of myself and
son.

My ardent
prayer to God is that
He may bless your
lordship and your
family circle with
increased health, wealth
and prosperity.

I beg respectfully to remain,

My Lord,
Your Lordship's most obedient
humble servant

Madras,
Purawakum,

Apparao Mudaly.

I have a great belief in the
Sahid as a man thorough & reliable. He has given me great
satisfaction, and his reports in
English are nearly perfect.
With the more pleasure I
record this opinion for the
Sahid as with singular
modesty which accompanies
real merit, would have been
the last to ask for any
recommendation, and which
indeed after all he stands
in no need.

I appointed this Clerk. He has quite
justified my selection. He is of a
good family. Writes an excellent
hand & has behaved well.
