Cause of Insolvency

I beg leave most respectfully to state the ^{owing} cause of my Insolvency that, as my father having been taken ill for upwards of 8 years and in the begining of 1887 to the middle of 1888 he was taken very seriously ill I had to spend a good sum of money for Doctors attendance medicine and nourishment &c.

During which time I was drawing very small salary having no means to meet the above expenses I was compelled to borrow small sums of money by adding constant interest and moreover by the accommodation of my friends with their signatures for the purpose of raising the Rs from creditors, and I was ^{oblige} compelled to accommodate my signature for my friends in return when they ask me to do so - present employment being of an acting nature from 25th Sept to the end of December 1888. I had to resort to my former Post on Rs 25 per mensem, out of this scanty sum I am not in a position to pay for the benefit of my credit anything more than three or four Rupees a month, should I continue in public employ and be restored to my place in Government after being declared an Insolvent.

His Honor Ali Saib creditor Rs 14 standing Rupees 500 from me for having accommodated my signature for my father's elder Hossain Ali Saib debtor in his favor and Somaswar Saib creditor Rs 9 attached my salary and received a moiety of my pay which was withheld, and out of the balance I am unable to meet my necessary expenses and pay their demands. I endeavoured to make several arrangements with my creditors but they would not come to any terms and I have no other alternative but to seek protection of this Honorable Court for the Relief of Insolvent Debtors in India.
