Dated 2nd March 1888.

No. 1328

re: Mr. J. M. Squire.

Ch. Squire & Son Ltd.

Recd letter from the Accountant General.

Dated 25th January 1888, No 228.

Resolution

Mr. Squire, the acting Sub Collector of Salem, delivered charge of his office to Mr. Squire and was away at his home from the 1st of January in connection with a private matter which had been ordered by Government vide his letter in Board's Proceedings, dated 5th February 1887, Miscellaneous No. 678.

1 For that period he requested that Government might be moved to pay his salary.

2 The papers were accordingly submitted to Government through the Accountant General.

2. The Accountant General, however,
urged them with the remark that the
rule of the Government is not clear in this
regard. In the absence of evidence to the
contrary, it is not possible for him to draw
his salary and allowances as acting. Sub-
ject to be decided.

3. In the course of the proceedings which Mr. Dumerque
has been called upon to follow, he informed the
Board that he had claimed
acting allowance. The Board in their findings,
dated 20th December 1888, has considered
Mr. Dumerque to have acted as such. The
fact that these findings were communicated to
Government and the Accountant General
and the Government recorded the facts.

4. The Accountant General in the letter
referred to above states that Mr. Dumerque cannot
be considered to have acted as such. He
and Mr. Dumerque have been acting as such
in such cases. There is a necessary
distinction.

80.23-1-88R

that if Government wish to create a case,
they should place Mr. Dumerque on
special duty for the period referred to, subject
to the rules in section 57, l. of the Pay and
acting allowance Code. The Board therefore
submit the papers to Government with a
request that Mr. Dumerque may be considered
to have acted as such on special duty while
at Calcutta.
