His Excellency says I
may send it to you; and I
shall be much obliged if you
will kindly record it, in case
his qualifications are ever questioned.
Dr. Rost, and his very competent
authority, has always spoken to
me more warmly than Sir
Frederick Goldsmid, on Lewell's
behalf.

Believe me,
Yours Sincerely

Extract from letter from
Genl Sir F. Pollock of 16 Nov 88

As to Mr. Darnall, it strikes me
that his Archaeological researches
are quite valuable in their way; and
in India where Archaeology is
a rich and comparatively un-
explored mine and Archaeolo-
gists are few, his labours might
safely be encouraged. Having
little real to do now than attend
as a member of Council, the meeting
of the Society, I have not learnt
much of the " Asiatic " Secretary's

correspondence; so that I am
uncertain whether Sewall has
sent in any recent papers;
but I was always glad to hear
from him when Secretary myself,
and my successor (Professor
Rhys Davids, a Pali scholar of
note) should be interested in
his work.
