To

The Chief Secretary to the
Government of Madras.

Calcutta the 12th February 1889.

Sir,

M^{rs} R. Sowell has forwarded to me a
copy of his letter of 2nd instant to your address
asking that I should scrutinize the distribution
List of the Chronological Tables he has been
carrying through the Government Press.

I am not aware of the number of
copies printed, but unless it is very small,
I would be disposed to advise that more
than one copy (say 3) should be given to
M^{rs} Lakshmiya Maide, who has verified
the computations. I would recommend also
that the following copies be added to the
List of 50, viz
