Madras.

As Government has ruled (G.O. No. 2344 dated 10th October 1889) that the cost of travelling in the Agency towns incurred by the District Surgeon and his Establishment is to be met from Provincial Funds, I have the honor to request that the Surgeon General will be pleased to obtain the sanction of Government to the annual supply of warm clothing to the peon who accompanies my Office, & if possible also to the Clerk who only travels 10 or 12 times a month.

The hot weather months in the Agency are extremely unhealthful & during the S.W. monsoon travelling is almost impracticable there are then only the cold weather months available. In the Mysore plateau it

Secretary to Surgeon General

Sir,

With reference to your memo no 412
dated 23rd January 1900, I have the honor to state
that the sum of Rupees fifteen was the limit allowed
by Government per head for the Agents' Establish-
ment. This sum is not given to the Agents, the Agents
buy the Clothing & charges the cost to Government.
I proposed doing the same.

2. I would buy one of the Bangalore Coats
the same as I have at the Agents, they are thin
warm & will last 2 years. I think a warm coat
will cost at least 5 rupees & a pair of boots, say
14 making in all 19 rupees.
