APPENDIX.

The following rules and instructions are issued for the guidance of Medical Officers who may be called upon to grant a medical certificate to any person already in, or seeking to enter, the public service in civil employ:—

(1) Medical certificates are required by—

- Candidates for the public service as to their physical fitness for Government employment;
- Candidates for pension from Government Service as to their unfitness for further service;
- Government servants who desire leave to recruit their health.

2. Commissioned Medical Officers holding Presidency appointments or in medical charge of districts or civil stations, and Uncovenanted Officers in the position of District or Civil Surgeons, are, with the exceptions noted below, alone authorized to grant certificates of physical fitness for the public service. Such certificates are not to be granted by Assistant Surgeons unless when in independent medical charge of a district, nor by warrant medical officers, civil apothecaries or hospital assistants, except to persons proposed to be appointed to posts carrying less than Rs. 50 a month who cannot conveniently appear before a Commissioned Medical Officer or Civil Surgeon.

3. A medical certificate of fitness for the public service is not to be given to any person unless he can produce a letter or other form of requisition from the head of the office or department in which he seeks employment; and such requisition should be accompanied by a descriptive roll signed by the head of the office or department.

4. The form of certificate to be given to a candidate for employment in the public service is laid down in Rule 2, Section 106, Civil Pension Code, and should contain such additional particulars regarding the nature of the duties the candidate is expected to perform, and his physical fitness therefor, as the head of the department making the requisition required in Rule 3 above may desire to have.

5. Commissioned Medical Officers holding Presidency appointments or in charge of districts or civil stations, and Uncovenanted Officers in the position of District or Civil Surgeons, are, with the exceptions noted below, alone authorized to grant certificates of unfitness for further service. Such certificates should not be granted by Assistant Surgeons, except when in independent medical charge of districts nor by warrant medical officers, civil apothecaries or hospital assistants, except to public servants whose pay is below Rs. 50, and who cannot conveniently appear before a Commissioned Medical Officer or Civil Surgeon.

6. Medical officers should not grant a certificate of unfitness for further service to any Government servant, except on the requisition and with the cognizance of the head of the office or department in which he is at the time serving. Every such application for examination should be accompanied by a descriptive roll of the person to be examined, signed by the head of such office or department.

7. The form of the certificate to be granted to an officer applying for pension is laid down in Section 108, Civil Pension Code, and should contain such additional particulars regarding the nature of the duties for which he is supposed to be unfit as the head of his office or department may desire to have.

8. All medical officers and subordinates in independent medical charge of a district or station are authorized to grant certificates to Government servants recommending the grant or commutation of leave on medical grounds, provided the person by whom the certificate is required can produce a letter, order, or other document from the head of the office or department in which he is employed, authorizing him to apply for such certificate. But Government servants already on leave and requiring an extension on medical grounds are not required to produce a permit from the head of their department before appearing for medical examination.

9. A certificate recommending the grant or extension of leave on medical grounds, should always specify whether the nature of the patient's complaint is such as to preclude him, either wholly or partially, from discharging his public duties. In cases where the medical officer considers further observation necessary, he is entitled to insist on it before granting the certificate.

10. The form of certificate recommending the grant of leave on medical grounds is laid down in Rule 19, Section 79, Civil Leave Code. Such certificates should ordinarily be accepted from Government medical officers alone, except when required to justify mere casual leave of absence.

11. Vaccination certificates required by candidates for the public service may not be granted except on the requisition of the head of the office or department in which the candidate seeks employment.

The following officers are empowered to grant such certificates in addition to, or in the absence of, those enumerated in Rule 2 above:—

Sub-Assistant Apothecaries.	

12. If a medical subordinate granting a vaccination certificate receives no pay from Government, either wholly or in part, he will be entitled to a fee of 1 rupee for every such certificate.

13. Except in the instance referred to in Rule 12 above, no fee or recompense of any kind is to be asked for or accepted in consideration of the grant of any of the certificates referred to in this circular.
