C No 1107

OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,  
Cotacmunda, 6<sup>th</sup> April 1889.  
Fort St. George,

No. 0/25

From G. Bidie Esq. M.B., C.I.E.,  
THE SURGEON-GENERAL WITH THE  
GOVERNMENT OF MADRAS,

Fort St. George,

To

THE Chief Secretary to Government  
Public Department.

SIR,

C No 9/2/89 In continuation of my letter No 144 of the 18<sup>th</sup> ultims, I have the honor to forward for the information of Government, the accompanying statement shewing the inspections conducted by District medical officers during 1887 in the Districts not specially mentioned in G.O. No 9 Public of 7<sup>th</sup> January 1889. It will be seen from this document that of the 160 stations inspected during the year 11 were visited once, 48 twice and 1 thrice - so that the actual number of inspections made in these Districts was 210.

2. Surgeon Major J. Smith who was the medical officer of Cotacmunda in 1887 has since reported in reply to a reference from this office that he visited both the dispensaries on the Nilgiris during the year. This therefore raises the total of inspections of these Districts to 212.

Q = Copy heading only

7/1/89 Ld 9 Prod. Order

Order

It is desired that the additional statistics now furnished relate only to the inspection of dispensaries that the Govt. committed in its order of 7<sup>th</sup> Jan 1889. No 9. In the future I shall expect officers to carry out the order regarding inspection of dispensaries which form Committee to the Surg. General.

The further report promised in para 2 is awaited.

An important part of their duties is defined in G.O. No 11 of 1883 Ld 3988

2. The Govt. note that arrangements have been made for the safe submission of complete returns of inspections by Dist. med. officers that the necessity of more frequent inspection of dispensaries. Cause. S.G. with Govt.

26. directing greater attention to inspection work has been urged on his subordinates by the Surg. General.

C No 912

From

G. Bidie Esq. M.B., C.I.E.

Surgeon General  
with the Govt of Madras  
Fort St George

No 144

Dated 18<sup>th</sup> March 1889  
Recd 19<sup>th</sup>  
Regd - 20<sup>th</sup> Encls: 1.

CHIEF SECRETARY  
19 MAR 89  
GOVERNMENT OF MADRAS

Subject

States that there appears to be some error in the statistics supplied to Govt. regarding the inspection work of Dist. med. officers during 1887.

returns to be submitted quarterly.

6. Prior to the month of August 1887 there was not, according to a letter just received from the Sanitary Commissioner, any general form in use for the preparation of the sanitary reports required by him from District Medical Officers, and this no doubt was another reason why these inspection reports were returned irregularly or not at all. This has now been rectified.

I have the honor to be

Sir

Your most obedient servant

Lieut. Col. B. J. E.

Surgeon General  
with the Govt of Madras.

10

only 4 months - so that Medical Officers in these districts were detained for a greater part of the year at Head Quarters and were prevented from inspecting places which would ordinarily have been visited

4. The inspections in Coimbatore were also not satisfactory, but the District Surgeon reports that he was in charge of the Jail in addition to his own duties for the greater part of the year and was thus detained at Head Quarters - hence a few of the hospitals were not inspected and the rest visited only once.

5. I may state for the information of Government that I have already in this office circulars No. 7 of 1888 and 28 of 1886 drawn the serious attention of District Medical Officers to the necessity of frequently inspecting their dispensaries, and also directed the submission of annual returns of inspections made during the preceding year. I shall now

Officers in charge of these districts for report, and now enclose for the information of Government a statement showing the inspections conducted by them during 1887, from which it will be observed that of 67 stations inspected during the year 32 were visited once and 35 twice; the actual number of inspections made therefore was 102. I have called for reports from the other districts not specially mentioned in the G.O. and shall submit a further report in due course.

3. It will no doubt appear from the present statement that the inspection work in the Godavery and Vizagapatam Districts was very meagre, but this was due in a great measure to the withdrawal of Assistant Surgeons from these districts to take charge of civil stations on account of the paucity of Commissioned Medical Officers. In the Godavery District there was no Assistant Surgeon present throughout the year and in Vizagapatam

C No 912.  
Office of the Surgeon General  
With the Government of Madras  
Fort St George 18<sup>th</sup> March 1889

No 144

From

G. Bidie Esqr. M. B., L. S. E.

Surgeon General

With the Government of Madras  
Fort St. George.

To  
The Chief Secretary to Government  
Public Department

Sir,  
With reference to para 12 of G.O.  
No 9 Public of the 7<sup>th</sup> January 1889,  
I have the honor to observe that there  
appears to be some error in the statistics  
supplied to Government regarding the  
inspection work of District Medical  
Officers during the year 1887.

2. It is remarked by Government that  
only 127 places were inspected during the  
year against 357 in 1886 and that in  
no less than seven districts (specified in  
the margin) no inspections were made  
at all.
