Madras Railway Company
Chief Accountants Office
Madras 16th April 18

My dear Scharlieb

I am very glad to hear that
Hugh Ross has a chance of obtaining the post
of Chief Accountant to the Harbour Trust.

During the time he has been with us
nearly 4 years, he has given every satisfaction.
His work has been done well. He has been steady
and diligent on all sides. I have heard a good
account of him, and I believe he will prove
a useful servant of the Harbour Trust Board if
they appoint him.

You are at liberty to make any
use of this if it can be of service, and I shall be
ready at any time to give a formal Certificate
to the same effect.

Yours sincerely
(Signed) J. Craup.

Having been asked for an expression of my opinion about Mr. Hugh Hope Ross's business qualifications, I am pleased to be able to state that I have from time to time, while he has been employed in the Madras Railway Company's Service, seen specimens of his work and conferred with him thereon. I have been most favorably impressed with the style and quality of his work and also with his remarks and explanations with regard thereto which showed an intelligent interest in, and full apprehension of, the various duties entrusted to him.

If, as is desired, the post of Chief Accountant in the Harbour Trust, rendered vacant by the death of his lamented father, be conferred on him, I am satisfied that he is, competent to undertake the duties of that post, for which his past work in the Railway has, in my opinion, eminently fitted him.

C No 1103

To

The Honourable J. F. Price
Chief Secretary to Government
Madras.

Sir,

I have the honor to request that you will do me the favour of placing, before the Right Honourable the Governor in Council, this my application for the post of Emigration Agent to the Mauritius now vacant by the retirement of Dr. Couran, and the death of his successor - Mr. F. Hodson from the Mauritius.

2. I am at present the Chief Accountant of the Harbour Trust Board having been appointed to such office on the death of my father the late G. Hope Ross. Previous to that I was Travelling Auditor in the service of the Madras Railway Company, and thus had the benefit of a thoroughly practical training in the keeping and ordering of accounts.

3. I may mention that my father was for several years Emigration Agent to the Government of Natal; and that from taking part

In P.O. to 1115 1889

part with him in matters Connected with the Agency, I have acquired a very fair knowledge of the working of such a special department of industry and enterprise. I am well and familiarly acquainted with the three vernaculars of the Country, viz, Telugu, Tamil, and Hindustani; and from my constant intercourse with the natives, can converse freely with them in these three languages. I may mention that I am strong in Constitution and of very active habits.

4. I should be well satisfied to remain in my present post of Chief Accountant of the Harbour Trust, with the duties of which I am quite conversant, and in the exercise of which I am much interested; but as from unavoidable circumstances my father was unable to make any provision for my mother, three sisters, and two little brothers, and as the salary of the office was reduced on my appointment from Rs 325 to Rs 200, I am naturally desirous of acquiring larger means for the maintenance of those whom my father has committed to my care and protection.

5. I beg to enclose copies of testimonials for favourable consideration and solicit that this my application may be forwarded to Her Majesty's Government at the Mauritius, with the strong recommendation of His Excellency in Council in support of my nomination
as

as Emigration Agent for that Colony. I further beg reference to R. W. Barlow Esq Chairman of the Harbour Trust Board whose permission I have to submit this application.

I have the honor to be
Sir
your most obedient servant.
