PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue (Land Revenue) dated 10 January 1889, No. 474 Misc. on letter from the collector of Kistna, dated 11 December 1888, No. 4463.

I have the honor to request the orders of the Board with regard to S. Venkatakrishtnappa, Tahsildar of Narasimha, who has ~~been~~ ^{been} appointed by ~~the Government~~ ^{the Government} ~~for~~ ^{for} ~~his~~ ^{his} ~~deliberate~~ ^{deliberate} absence without leave.

2. This officer was on furlough for 14 months from 19 October 1886 to 18 December 1887, and being possessed of some private means desired to retire on minor pension. The District Surgeon however could find no reason for invaliding him and Venkatakrishtnappa reluctantly resumed his appointment.

3. On the 22 September last I granted him twenty days leave on loss of pay to go to Cocanada on account of his brother's death. On the 8 October I sanctioned an extension of a month for a fortnight. A further month was then requested, which I granted on the 20 October. The ~~date~~ ^{date} of the

district however was causing much anxiety,
and on the 2nd November I telegraphed to Venkata-
krishnayya "Remainder of leave cancelled, join forth-
with" This telegram despatched on the 3rd reached
Coconada the same evening and was delivered on
the following morning. On the 6th Venkatakrish-
nayya telegraphed "Rumby state am suffering
with muscular rheumatism and fever, starting
able recover." A medical certificate was for-
warded, and on the 16th I telegraphed to him, "you
have forfeited your appointment by continued
absence without leave or medical certificate."
To this, he replied that he had been under me-
dical treatment from the 6th and was "unable to
join at present." He also forwarded a certificate
of admission to the Civil Dispensary which
stated that he was suffering from muscular Rheu-
matism and fever. This certificate, he states, he
withheld in order to send it with his certificate
of discharge.

4. Remembering Venkatakrishnayya's reluc-
tance to return to duty on the former occasion,
I wrote on the 20th November to Dr. Haunton, the

acting Civil Surgeon at Coconada, to enquire whether
Venkatakrishnayya was admitted as an in- or an
out-patient, and if the latter to state whether he was
able to travel and return to duty. I requested the
Civil Surgeon to satisfy himself that Venkata-
krishnayya was not malingering and if further
leave was really necessary to forward a certifi-
cate in the usual form. This letter was despatched
on the 22nd and must ~~presumably~~ have been de-
livered on the 25th. No action appear to have been
taken on it, and on the 4th December the Acting
Civil Surgeon replied that Venkatakrishnayya
was "under treatment as an out-patient in the
Dispensary from November 6th for Chronic Rheu-
matism and left to join his appointment on
December 1st." No reply was given to my other enquiries.
5. Venkatakrishnayya reported himself to
me on the 8th Instant - the journey takes four days
and I have directed him to await the orders of the
Board. He has deliberately absented himself from
the 4th November to the 8th December in disobedience
to precise orders to return to duty. He received these
orders by telegram on the morning of the 4th.

in his letter alludes to chronic compliances with
as the ground for treatment, and he ought to be
been no bar to an immediate test, and I await
orders. I think that serious his reappointment
to the post he has forfeited. The Tahsildar of
Marsarowpet is of the third grade carrying a
salary of Rs. 200.

6. The Acting Civil Surgeon - unless he
was absent from Coonada, in which case he
should have informed me of the fact, - having
been asked to make sure that a public servant
under his treatment was not malingering but
was actually unable to return to duty should
not in my opinion have ignored this official
request, or have given his compliance to Venkate.
Krishnayya's continued disobedience to orders for

another sick without some explanation.

4. Copies of correspondence are enclosed
for reference.

Resolution

The collector's letter states the facts
clearly.

2. The Tahsildar was evidently malin-
gering. The collector's first telegram reached
him on the 4 November and on the 6 he be-
comes an out-patient for Chronic Rheumatism
and continues staying away, in spite of orders till
the 7 December.

3. The Civil Surgeon was asked to re-
port on a particular point on the 20 November
and took no notice of it until he received the
collector's telegram of the 8 December and then
makes no mention of the special point asked for.

4. The Board consider that notice
should be taken of the conduct of both officers.
That of the Civil Surgeon will be submitted for
the orders of Govt. No explanation has been
taken from him yet, but the facts are patent.

5. The Tahsildar will be called on to submit his explanation and will be kept under suspension meantime.

Order thereon, 28 January 1889, No. 530.

As regards the Tahsildar of Nararowpet the Board's further report is awaited.

2. The conduct of the Acting Civil Surgeon of Coconada will be considered in the Public Department.

Sir:

With reference to your memo No 935 dated February 19th 1889, I have the honor to explain that Tahsildar Venkatakrishnaiah came to the Civil Hospital, Cacoonada, and reported that he had come to Cacoonada on 2 months' leave without pay, but that he did not think he would be fit for duty again, and therefore wished to take his pension. I explained to him that I could not give him a certificate according to rules, and that he should return to his own district for such a certificate. He then requested to be admitted as an out-patient for treatment at the Hospital. He stated that he had served for several years in the Palnad, a malarious country; ever since when, he had suffered

from occasional attacks of ague,
and that his constitution was in-
jured by them. At the time of ad-
mission, he was suffering from
chills every evening followed by fever.
Also has constant pain in the muscles
of the arms, and calves of the legs;
slight pain and tenderness in the
shoulders. He was anaemic and
felt very weak, and unable to do
any work. He was treated at first
with antepernosis, and afterwards
with iron tonics and liniments ex-
ternally. Judging from his general
appearance, and considering his position,
I had no reason to think that he
was malingering, and gave him an
admission Certificate for the infor-
mation of the Collector, as I could not
give a leave Certificate without the
Collector's cognizance. Towards the
end of the month, he said the fever
had left him, and I accordingly
directed him to join his appointment
as soon as possible which he pro-
mised to do on December 1st, on which

date, he took a discharge Certificate,
and I believe left Cochin. I am
very sorry, that the delay in answering
Mr. Brunsel's letter should have given
rise to so much trouble and misunder-
standing, but altogether it was only
for ten days, and I did not know
that the matter was at all urgent
till I had received his telegram.

In my reply, as the man had already
returned to duty, I simply stated
his disease, and the time he was under
treatment, and did not reply to
Mr. Brunsel's questions, because I
thought that he would see the Sahib-
dar himself at Masulipatam.

2. The Correspondence of this case
is herewith returned as directed.

For order.

Mr. Stanton's excuse for
not replying to the General's
letter & subsequent failing
to answer his queries cannot
be submitted, he accepted
as in any way satisfactory &
his position is that
of an Asst. Surg., & it seems
probable that he was acting
in connivance with the Tah.

& there seems no sufficient basis
ground for this conclusion 2/4
15/10/17

There is no proof certainly that
he was in connivance with the Tah.
but it is probable that he was & that
it was made worth his while.

Medical officers of his class seem
to have a very faint idea of their duty
as public officers. Mr. Stanton is
now Asst. Surg. I should like
to order him back to an Assistant
Surgency & think that he be kept
there. That course will however
probably be held to be too severe.

However I propose that he get a
strong warning & be told that Govt.
considered whether he should not
be sent back. H. L. S. 11 Apr.
