Civil Account DEPARTMENT.

C No 897.
FORT ST. GEORGE,
Accountant-General's Office,
16 March 1889.

No. 815

From

J. W. Rawlinson Esq.,

ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary
to Government,
Public Department,
Fort Saint George.

SIR,

With reference to Madras Government Order (Public Department) N: 164 dated the 15th of February, I have the honor to point out that, although I am not in a position to show that the Provincial Government is bound to provide such a service as that now in question for the Mysore Administration, the retention of the fee of Rs. 175 by the Chemical Analyst, appears to me directly to contravene the directions of the Civil Account Code.

2. In rule 6(1) Chapter II of the Code, it is laid down that "the whole time of an Officer must be held to be paid for by the State, unless in any particular case it is otherwise distinctly provided for, and that he may be employed in any manner required by proper authority within his own branch of duty, without claim to additional remuneration, whether the services rendered are such as might ordinarily be paid for from the Imperial or Provincial Revenue."

This

3. This rule, as read by me, entirely covers the present case, so far as the inadmissibility of a fee to the Chemical Analysis is concerned, & I would, therefore, enquire whether in view of it Government may not be disposed to reconsider, as already suggested in my previous letter upon this subject, their orders originally issued in the matter:-

I have the honor to be,

Sir,
Your most Obedt. Servt.

W. Munro
Account General.

NOTE FOR THE UNDER SECRETARY.

The go. (of Dec 1887?) refused to by the Hall is really go. Oct 1733. d. 26-12-1877 (vide Affs letter in go. 164 d. 15-2-89) that go. applied only to work done for Foreign go. & private bodies, & is within the power of the Local go. As a matter of fact even fixed remuneration has been sanctioned to Med & Vet officers when paid by Native States.

Graph letter to Secy is accordingly please.

For order.

Submitted that, as was done in 1877, inquiry may now be made of the govt. of Mysal, Bombay & the N. West Provinces as to what is the practice in these provinces, having regard to the provision in the C. Act. govt. printed and by the West govt., as to the Provincial Government receiving the fees.

Submitted that it would be better to refer the matter to the Secy of the govt. of India

been

If the levy of fees by the Chemical Analyst is justifiable at all, the levy from the Admin. of Bangalore is justifiable. But before we report this, we have better make sure that the go. (of Dec 1887?) which authorizes the fees are within our power to make conflict with orders of the govt. of Madras. Make sure of this, & then report.
