I cannot state that there are any civil doctors at St Thomas Mount. The provision for medical services is made by the Government. The officers of public health are not allowed to be employed in the Civil Dispensary. There are no medical officers at the Civil Dispensary. This is because it is a Government institution and must be managed by a Government medical officer. The medical officer attached to the Civil Dispensary is the Surgeon General. I suppose that the Government is not allowed to employ a private medical officer in the Civil Dispensary. In this case, the claims of the medical officer must be allowed.

Order. 17.1.89: No. 38.

In the foregoing letter the
Surgeon Genl with the Govt
recommends the grant of
an Extra allowance to
the Military Medical Officer
at St Thomas' Mount for
performing the civil duties
of that station.

There are no civil duties
at St Thomas' Mount for
which the Govt are bound to
make special provision,
the officers of pub^l depart-
ments ^{supplying the public} must supply
their medical wants as they
do in other places where no
civil surgeons are stationed.

As regards the Civil Dispensary
and the Police Hospital, they
must in the absence of a
Commissioned ~~Medl~~ Officer of
the Indian Med^l Service, re-
main in charge of the
medical subordinates
respectively attached to them.

In these circumstances the
claim of Surg^r-major Marten for
an Extra allowance will be dis-
allowed for in award all such
must be admitted. W. S. D.
