From,

The Magistrate & Collector of

BELLARY.

To,

The Chief Secretary to Government
^{Public Department}
MADRAS.

SIR,

On the course of the investigation of the cantonment water supply scheme directed in Government Order No. 1112 dated 10th January 1889, Public Department, it was considered necessary to have the water of the Mainwaring tank & of the Fort Ditch, which are the two principal sources of supply of drinking water of Brucepetta and Cowl Bagam, chemically analysed. I therefore caused samples to be forwarded to the Chemical Examiner Madras who now forwards the enclosed bill for Rs. 40. I have the honor to request that sanction of Government may be obtained for the payment of the amount billed for.

I have the honor to be,

^{Sir}
Your most Obedient Servant

A. Rintamann Esq.
