SIR,

I am directed to acknowledge the receipt of your letter No. 3243, dated 1st April 1889, and with reference to paragraph 4 thereof, to invite your attention to paragraph 3 of the Proceedings of this Government, No. 424, dated 15th May 1889, copy of which is enclosed.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From the Honorable the Colonial Secretary, Singapore, to the Chief Secretary to the Government of Madras, dated Singapore, 1st April 1889, Medical No. 3243.

I am directed by the Governor of the Straits Settlements to acknowledge, with thanks, the receipt of your letter of the 26th February forwarding copy of Proceedings of the Madras Government with reference to the pension rights in respect of Indian service of apothecaries transferred to the service of this Colony.

2. In reply, I am to inform you that Apothecary Reardon has elected to take permanent service under this Government. Apothecary Curran has already returned to Madras.

3. The provisions of Civil Pension Rule, section 11 (b), annexed to your letter under reply, have been communicated to the medical subordinates of the Madras Government now serving in the Straits Settlements.

4. As apothecaries are frequently required for service in the Protected Native States, I am to inquire whether I am right in assuming that the privileges of section 11 (b) of the Civil Pension Code are applicable to officers accepting such employment.

5. In conclusion, I am to enclose, for the information of the Government of Madras, a copy of the Straits Settlements Pension Regulation No. 10 (2), which regulates the pension claims in respect of Colonial service of officers transferred from the service of the Crown elsewhere.

ORDER—dated 15th May 1889, No. 424, Public.

The Surgeon-General will remove Apothecary Reardon's name from the list of the subordinate medical branch of this Presidency.

2. Straits Settlements Ordinance No. VIII of 1887 will be forwarded to the Surgeon-General for perusal and return.

3. The Government is of opinion that the correctness of the surmise in paragraph 4 of the Colonial Secretary's letter depends upon whether officers lent to Protected Native States in the Straits Settlements are regarded as in the service of the Colonial Government. Section 11 (b) of the Civil Pension Code applies in the case of an officer transferred from Indian to Colonial service, the Indian pension being granted only on final retirement from the Colonial service on pension or compensation allowance. But if the Colonial Government assumes no responsibility as regards the pay or pensions of subordinates lent to a Protected Native State within its jurisdiction, but leaves them to the particular engagements offered by the State in question, the rule will, in the opinion of His Excellency in Council, not apply. To make it applicable, the

pension payable to such officers on retirement from the service of the Native States would have to be granted by the Colony. Section 10 (3) of the regulations attached to the Pensions Ordinance VIII of 1887 does not appear to meet the case.

4. The Colonial Government will be informed accordingly.

The transfer under sub. b. of
the Pension Code is to the service

other provisions of the Pension Code

such as pension on retirement

Re the pension rights of the Medical
Subordinates of the Madras Govt now
serving in the Straits Settlements.

I don't think the surmise in para 4
is correct. It depends upon the question
whether subordinates sent to protect
native states are regarded as in the
service of the Colonial Govt. If the Colo-
nial Govt. assumes no responsibility
as regards the pay or pensions of
subordinates sent, but leaves them
to the particular engagements offered
by the protected states, I should say
the rule does not apply. But I am an-
swering I would make further in-
quiries.
