SUBJECT.

Submitting a special
report in explanation
of the steady decline
in the registration of
births in the district

2
 of the hill people brought on by
 the heavy rains of October and
 November 1886.

There is no doubt that the
 decrease in the birthrate is
 partly attributable to defective
 registration as stated by some
 of the Subsilours - Instructions
 have been issued to village
 officers to pay greater attention
 to the subject in future
 on pain of any neglect in this
 respect being severely noticed.

From

M. Subhanur Rahman
Dy. Collector in charge

Godavari District

To

M. A. Hapell Esq

Collector Godavari Dt.

Sir,

In reply to your endorsement
No 140 dated 28th January 1889
on Government Order No 9 A
dated 7th January 1889, I
have the honor to state as
follows: -

2. As can be seen from the
enclosed statement the total
number of births registered during
the year 1887 was 34606 (municipalities)

being accepted) against 40161 in 1886 showing a decrease of 5555. The decrease occurs in all the Taluqs.

3. The Ramachandrapur Tahsildar and Cocanada Dy Tahsildar attribute it to the fact of all the births not being correctly reported to the village officers.

The Ramachandrapur Tahsildar further says that in order to secure accuracy in the future returns he has issued instructions to the Revenue Inspectors and village officers to see that the births are correctly reported for registration.

4. The Tahsildars of Narsapur and Tanuku find no cause for the decrease.

5. The Amlapur Tahsildar and Pettapur Dy Tahsildar

attribute the decrease to want of accuracy in the returns furnished by the Zamindari Kurnams while the Bhimavaram Tahsildar and Juni Dy Tahsildar say that the decrease is but natural and not due to laxity in registration.

6. The Ellore Tahsildar says that in 1887 certain men of the labouring class left his Taluq for the Distinct District to find work in connection with the Singareni Berwada extension of His Highness the Nizam's State Railway, while the Bhadrachellam ~~Bhimavaram~~ Tahsildar says that the decrease is due to some of the people having gone into the Buster Territories. He says that the registration is properly conducted.

7. The Rajahmundry Tahsildar says that the registration is defective and suggests the necessity of some provision to compel parents to report the births to the village officers.

8. The Peddapur Tahsildar's report will be submitted on receipt.

I have the honor to be
Sir
Your most obedt Servt.
