I enclose the summary as with the

for

also that in my Perambore House, there is a tank covering nearly an acre of ground at the bottom of which I have sunk wells which proved to be gushing wells the water rising 10 ft from where it was tapped and that I supply all the neighbourhood with water & still have to pay water-tax to the Madras Municipality.

I have the honor to be,
Sir,
Your most obedt Servant

C. J. Morris Esq. M.A.,
Mauritius Emigration agent

as soon as the Accountant General's Office are able to make out the amount due to the late Mr. F. A. Hodgson from the Mauritius Government Cash Chest at the date of his decease, & especially as the enquiry will necessitate a fee from me which will be a great hardship to me to pay out of my half Salary.

I am afraid that some one from Madras has advised the Mauritius Government that my two houses, one on the Perambore High Road, & the other on the Kodumpankum Road, are not worth Rupees 10,000 of the amount of the Security I have to deposit. As according to the title Deeds I paid Rupees 3,500- for the Perambore House and Rupees 1,200- for the House on the Kodumpankum High Road. It is not known that both houses were knocked down & rebuilt from the very foundation at double the cost of the original price, and that the grounds attached to both houses, the former containing 4 acres & the latter 6, have been planted out to such an extent as to raise their value at this present time. I may mention also

Sir,

Referring to G.O. No. 400, dated 3rd May,
wherein the Collector of Madras has been
asked to obtain & forward to Government
the documents referred to, & report on
the sufficiency of the Security furnished
by me & which is now lodged in the Accountants
General's office, I have the honor to request
that the Government will ask the Collector
not to take action in the matter until
it is decided that my Son Mr. J. G. Courau
is to take up my duties permanently, when
the Securities I have deposited on my account
will be available for him.

I respectfully submit I am entitled
to the concession because all my accounts
will be ready in a few days for audit, &
Submission to the Mauritius Government
