Para 6 - Petition Rules.

To

His Excellency The Right Honorable

The Governor in Council

Fort Saint George, Madras.

The humble memorial of N. Neelamagum Pillai Wosiore, Trichinopoly.

MY LORD

I beg most respectfully to approach your Lordship's exalted position with the following circumstances with fervent hope that your Lordship will be graciously pleased to pardon me for the intrusion and kindly give this humble petition from one of your Lordship's fellow subjects the consideration which it deserves.

2. My father named Neelamagum Pillai was a famous Cigar Merchant in Trichinopoly and his trading business was not confined to India alone but also extended to foreign countries where he had vast dealings with European Gentries who bore excellent testimonials of him. Since the demise of my father (which unfortunate event took place six years ago) I was compelled to profess the trade as I was left alone without near relatives. I feel happy to inform your Lordship that for a time the trade had been fairly conducted by me and during the interval I have obtained rewards of diplomas and medal from the different international exhibitions for the excellence of my cigars, one of them bears the signature of His Royal Highness The Prince of Wales. Whereas My Lord through the augmentation of Cigar commerce throughout India and through my misfortune my outstanding balances have not reached my hands and I am left-My-Lord-without any profession to attend to.

3. My Lord—Necessitated by this calamity, I appealed to your Lordship's Government for exemption from age bar and was favored with a Government Order No. 995 of 1885 to the effect that my case will be considered if any head of the department is desirous of entertaining me into the Government Service. Since then I am trying my best to get into some department but my case has not been taken into consideration by the Heads of departments.

4. My Lord—I am now passing very hard days being placed in very narrow circumstances. When putting in memory of the downfall of my state I could not express my grievances which have inundated my heart and consequently I ventured to submit this poor petition to your Lordship.

5. My respectability and that of my father will be reported to your Lordship by most of the Anglo and Indian nobles. As regards my qualifications I beg to inform your Lordship that I have passed the General Test Anglo Branch held in 1875 and the Criminal Higher Grade Examination held in October 1888. I am now preparing for the Revenue Test with a view to appear this year. I am nearly 35 years of age, my mother tongue being tamil.

6. Under these circumstances I earnestly pray your Lordship to support me with your Lordship's usually sympathizing spirit by providing me with an appointment in the Revenue Department in the Trichinopoly or in any other tamil District as your Lordship may please taking into your Lordship's benign consideration the high position and respectability from which I have been brought so low. I pray God to introduce your Lordship to look out the poor applicant with your Lordship's merciful eyes for support.

7. That it may please the Almighty to bless your Lordship with unalloyed happiness, long life and prosperity, is the sincere and fervent prayer of your Lordship's most humble and dutiful servant.

Trichinopoly }
5th May, 1889. }

I beg to remain
My Lord.
Your Lordship's most humble dependent.

N. Neelamagum.
