Madras. 7th May 1889.

No. 209.

CHIEF SECRETARY
18 MAY 89
GOVERNMENT OF MADRAS

From

A. R. A. Inquis. M. R. A. S.

FIRST ASSISTANT.

To

The Chief Secretary
to Government,

Respected Sir,

I have the honour to request that Government might be pleased to consider the advisability of making my appointment a gazetted one.

2. - The names of the Director-General and the Epigraphist to Government have hitherto appeared in the "History of Services of Gazetted Officers," but mine has not yet done so. The Accountant-General informing me that it requires the sanction of the Government of India.

3. - I understand that Dr Rogers will retire in or about the month of June next, and the Survey will then be, - with the exception of the Epigraphist - without any gazetted officers.

4. - Although I have charge of Survey

operations in the Presidency, and hence the work, and responsibilities of a gazetted officer, my appointment has not hitherto been treated as such.

Apart from the social advantages which would accrue to me personally, of holding a gazetted rather than a non-gazetted appointment - the two being looked on as holding much the same social status as a commissioned and non-commissioned officer respectively -

I would respectfully point out the anomalous position of a permanent Department of Government being thus placed; it occurs in none of the other scientific departments, whose superior officers have this and other advantages not possessed by those in this Department.

5. - As it will entail no financial expenditure of any sort, I would request that Government might be pleased to favourably consider the matter.

I have the honour to be,

Sir,

Your Most Obedient Servant
