

Revenue.  
No. 16.

INDIA OFFICE;

London, 7th February 1889.

To His Excellency The Most Honourable The Governor-General of India in Council.

MY LORD MARQUIS,—I have considered the papers received with the Marquis of Dufferin's letter No. 12 (Revenue), dated 4th December last, concerning the acceptance and purchase of shares in the Hyderabad Mining Company by \* \* \* \* \*. I approve the orders that have been passed, and I have no doubt that the necessary steps will be taken to enforce obedience to those orders within a reasonable time.

2. I observe from the correspondence that \* \* \* was under the impression that, when his services were lent to a Company, he was at liberty to make his own arrangements as to remuneration, and that during such outside service he was not bound by the rules prohibiting Government officers from speculating or investing in commercial undertakings in the districts where they may be employed. \* \* \*

In these circumstances, I deem it desirable that the rules concerning the loan of Government officers to Native States, Municipalities, and Railway or other Companies should be so modified as to make it quite clear—

- (1) that the officers lent shall receive only the remuneration agreed upon or sanctioned by the Government of India in their behalf \* \* \*
- (2) that the officers so lent remain, while on outside service, subject to the general and disciplinary rules which apply to officers on active Government service.

I have the honour to be,

MY LORD MARQUIS,

Your Lordship's most obedient, humble Servant,

CROSS.
