From

Mr Richard Barlow Bart, ES
SUPERINTENDENT OF STATIONERY,
Madras.

To

Honorable J. J. Price ES
Chief Secretary to Government
Financial Department
Cotacamund

SIR,

With reference to Government Order
(Public Department) No 349 dated 17th
April 1889, I have the honor to report that
I have dismissed Mr Clark Manager Stationery
Office as ordered, but at the same time I beg
very respectfully to submit that it is in
my opinion probable that Mr Clark
did not wilfully omit the debt of Rs 770-13-
from the statement submitted with my
letter to Government No 932 dated 6th
September 1888. He could have had no
object in doing so, as from the tenor of

August 1888, and my warning to
him, he had only to be dismissed
in case of his furnishing incomplete
list of his debts. Mr. Clark's memory
has been very weak, and he occasionally
forgets matters however important.

Some years ago Mr. Clark had a
stroke of paralysis which seriously affected
his memory, and from the effects of which
he has not yet completely recovered. I now
learn also, that Mr. Ferrand, when
Superintendent, tested his memory by
taking notes of orders given to him, and
when he found it was bad, he sent him
to appear before a medical Board, but
I cannot trace these papers in the records
of the office now.

Mr. Clark an honest willing and
public servant and during his long service
of over 21 years there has been no blame
attaching to him. Under these circumstances
I would respectfully ask Government to take
a merciful view of his case, and let him
have such pension as he is entitled to.

I have the honor to be
Sir
Your most Obedt Servant

Wm. H. H. H.
Superintendent of Stationery

J. J.

if certified by a medical Bd.

Bd. an exam. as provided
and report the result.

For orders

10/5

I think the order issued should be
maintained. If the main faculties
so defective as that his
projects in the face of spirit would
more than 25% of his debt in
respect of which an attachment
has recently been served on him
his situation in the service cannot
be advisable. But I don't believe
in such forgetfulness.

M.S.

It is difficult to believe that
he can forget the debt & long
months for his service.
I think it is better to make him
refuse to serve if it
is possible that one can
make it clear that he is not
to be kept in the service
but to give a pension
to him.
