From

Sir Richard Barlow Bart. ES
SUPERINTENDENT OF STATIONERY,
Madras.

To

Honorable J. J. Price ES
Chief Secretary to Government
Financial Department
Ootacamund

SIR,

With reference to Government Order
(Public Department) No. 349 dated 17th
April 1889, I have the honor to report that
I have dismissed Mr. Clark Manager, Stationery
Office as ordered, but at the same time I beg
very respectfully to submit that it is in
my opinion, probable that Mr. Clark
did not wilfully omit the debt of Rs 770-13-
from the statement submitted with my
letter to Government No. 932 dated 6th
September 1888. He could have had no
object in doing so, as from the tenor of

August 1888, and my warning to
him, he had only to be dismissed
in case of his furnishing incomplete
list of his debts: Mr. Clark's memory
has been very weak, and he occasionally
forgets matters however important.

Some years ago Mr. Clark had a
stroke of paralysis which seriously affected
his memory, and from the effects of which
he has not yet completely recovered. I now
learn also, that Mr. Ferrand, when
Superintendent, tested his memory by
taking notes of orders given to him, and
when he found it was bad, he sent him
to appear before a medical Board, but
I cannot trace these papers in the records
of the office now.

Mr. Clark an honest willing and
public servant and during his long service
of over 21 years there has been no blame
attaching to him. Under these circumstances
I would respectfully ask Government to take
a merciful view of his case, and let him
have such pension as he is entitled to.

I have the honor to be
Sir
Your most Obedt Servant

W. W. Moore
Superintendent of Stationery

J. J.

if certified by a medical Bd.
the permanently disabled from
further service. The Dept. will
then. Clark before a med.
Bd. on even an favorable
report the result.

I think the order issued should be
maintained. If the main faculties
are so defective as to that his
profits in the firm of Spence & Co.
more than 25% of his debts in
respect of which an attachment
has recently been served on him
his retention in the service cannot
be advisable. But I don't believe
in such forgetfulness.

It is difficult to believe that
Mr. Clark forgot the debt & his
obligations to his creditors.
I think it is hard to see how
a man in his position could
forget that one of his
principal duties was to
manage the firm's affairs
and that he was
responsible for the
firm's debts.
