GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers:—

From J. G. HORSFALL, Esq., District Magistrate of Ganjam, to the Chief Secretary to Government, dated Chatrapur, 22nd April 1889, No. 2744.

I have the honour to report the following for the information of Government.

2. The Senior Assistant Magistrate reports that on the 25th March three persons named Sonia, Subuddhi and Ogadhoo, who are provided with certificates or licenses countersigned by the Inspector of Labourers, Galaghaut, to act as garden sardars and recruit labourers for the Bengal and Assam labour districts under Indian Emigration Act I of 1882, appeared before him with some 150 persons and requested him to register them for emigration under that Act. These persons they represented to be labourers and dependents recruited by them under the authority of the certificates above referred to.

I find on reference that the Emigration Act (I of 1882) in question extends only (section 1) to the territories respectively administered by the Lieutenant-Governors of Bengal and the North-Western Provinces and the Chief Commissioners of Oudh and Assam, but not to this presidency, nor am I aware of any orders of Government extending the operation of the Act to this presidency, much less to this district.

Under these circumstances the certificates produced by the recruiters, though issued expressly for this district, are, I consider, inoperative in this district.

Besides I find that emigration for Assam and tea districts in Bengal has been prohibited by G.Os., No. 1285, dated 16th October 1867, and No. 1216, 14th August 1880, and there appear no orders on record cancelling or modifying these orders, and I have informed the Senior Assistant Magistrate accordingly.

Further, I have received two letters * from the District Magistrate, Cuttack, stating that certain men and women of this district, about 179 in all, lately

appeared before him and represented that they were compelled or induced under false pretences by certain cooly emigration recruiters to go to Sylhet and to the tea gardens at Assam from this district, and that he has sent them back to their homes.

With a view to prevent ignorant people being compelled or imposed upon by such emigration recruiters, I have notified in the District Gazette and informed the Superintendent of Police and other officers that emigration for Assam and tea districts has been prohibited by Government.

I have also informed the District Magistrate, Cuttack, of this prohibition and requested him to see that all such coolies are sent back to their homes.

As the Emigration Act I of 1882 does not appear to be in force in this presidency and as certificates or licenses issued by the officers of Bengal under that Act are therefore inoperative here, I beg to suggest that the Commissioners of Assam, &c., be requested to see that no such licenses are issued for recruitment of labourers from this district for Assam and other tea districts in Bengal with a view to put a stop to the molestation of ignorant coolies, &c., by such licenses.

* Will be sent shortly.

The three licenses received from the Senior Assistant Magistrate are herewith submitted †; the licensees have decamped.

• Licenses recruitment of labourers.

Approving the process issued for recruitment of labourers by the Chief Commissioner

District Magistrate, Ganjam, regarding certain licenses issued for recruitment of labourers in Ganjam for Assam and other tea districts, and addressing the subject.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers :—

From J. G. HORSFALL, Esq., District Magistrate of Ganjam, to the Chief Secretary to Government, dated Chatrapur, 22nd April 1889, No. 2744.

I have the honour to report the following for the information of Government.

2. The Senior Assistant Magistrate reports that on the 25th March three persons named Sonia, Subuddhi and Ogadhoo, who are provided with certificates or licenses countersigned by the Inspector of Labourers, Galaghaut, to act as garden sardars and recruit labourers for the Bengal and Assam labour districts under Indian Emigration Act I of 1882, appeared before him with some 150 persons and requested him to register them for emigration under that Act. These persons they represented to be labourers and dependents recruited by them under the authority of the certificates above referred to.

I find on reference that the Emigration Act (I of 1882) in question extends only (section 1) to the territories respectively administered by the Lieutenant-Governors of Bengal and the North-Western Provinces and the Chief Commissioners of Oudh and Assam, but not to this presidency, nor am I aware of any orders of Government extending the operation of the Act to this presidency, much less to this district.

Under these circumstances the certificates produced by the recruiters, though issued expressly for this district, are, I consider, inoperative in this district.

Besides I find that emigration for Assam and tea districts in Bengal has been prohibited by G.Os., No. 1285, dated 16th October 1887, and No. 1216, 14th August 1880, and there appear no orders on record cancelling or modifying these orders, and I have informed the Senior Assistant Magistrate accordingly.

Further, I have received two letters * from the District Magistrate, Cuttack, stating that certain men and women of this district, about 179 in all, lately

appeared before him and represented that they were compelled or induced under false pretences by certain cooly emigration recruiters to go to Sylhet and to the tea gardens at Assam from this district, and that he has sent them back to their homes.

With a view to prevent ignorant people being compelled or imposed upon by such emigration recruiters, I have notified in the District Gazette and informed the Superintendent of Police and other officers that emigration for Assam and tea districts has been prohibited by Government.

I have also informed the District Magistrate, Cuttack, of this prohibition and requested him to see that all such coolies are sent back to their homes.

As the Emigration Act I of 1882 does not appear to be in force in this presidency and as certificates or licenses issued by the officers of Bengal under that Act are therefore inoperative here, I beg to suggest that the Commissioners of Assam, &c., be requested to see that no such licenses are issued for recruitment of labourers from this district for Assam and other tea districts in Bengal with a view to put a stop to the molestation of ignorant coolies, &c., by such licenses.

† Will be sent shortly.

The three licenses received from the Senior Assistant Magistrate are herewith submitted †; the licensees have decamped.

I find on reference that the Emigration Act (I of 1882) in question extends only (section 1) to the territories respectively administered by the Lieutenant-Governors of Bengal and the North-Western Provinces and the Chief Commissioners of Oudh and Assam, but not to this presidency, nor am I aware of any orders of Government extending the operation of the Act to this presidency, much less to this district.

Under these circumstances the certificates produced by the recruiters, though issued expressly for this district, are, I consider, inoperative in this district.

Besides I find that emigration for Assam and tea districts in Bengal has been prohibited by G.Os., No. 1285, dated 16th October 1867, and No. 1216, 14th August 1880, and there appear no orders on record cancelling or modifying these orders, and I have informed the Senior Assistant Magistrate accordingly.

Further, I have received two letters * from the District Magistrate, Cuttack, 3rd and 6th April 1889.

stating that certain men and women of this district, about 179 in all, lately appeared before him and represented that they were compelled or induced under false pretences by certain cooly emigration recruiters to go to Sylhet and to the tea gardens at Assam from this district, and that he has sent them back to their homes.

With a view to prevent ignorant people being compelled or imposed upon by such emigration recruiters, I have notified in the District Gazette and informed the Superintendent of Police and other officers that emigration for Assam and tea districts has been prohibited by Government.

I have also informed the District Magistrate, Cuttack, of this prohibition and requested him to see that all such coolies are sent back to their homes.

As the Emigration Act I of 1882 does not appear to be in force in this presidency and as certificates or licenses issued by the officers of Bengal under that Act are therefore inoperative here, I beg to suggest that the Commissioners of Assam, &c., be requested to see that no such licenses are issued for recruitment of labourers from this district for Assam and other tea districts in Bengal with a view to put a stop to the molestation of ignorant coolies, &c., by such licenses.

* Will be sent shortly.

The three licenses received from the Senior Assistant Magistrate are herewith submitted †: the licenses have decamped.
