SUBJECT.

Requesting sanction of
Government for the retention in
service of U. Sashachella Aiyar
Madras Meteorological Assistant
from the 28th of March to the 31st
May 1895 to enable him to do
the pay due to him for work
done during that period.

observations, he was desired to do so, as there was no other assistants available. Having resumed work, I made arrangements for him to retire from the service on the 1st of June 1885, and prepared his pension papers, and sent them in dated accordingly. Of course the date on his certificate should also have corresponded. On presenting his salary bill however for payment at the Treasury it was refused. This I was not aware of until six months afterwards, when his pension had been granted.

Applications were then made, first to the Treasury Officer at Madras, afterwards to the Meteorological Reporter to the Government of India. The Comptroller of India Treasuries requested me to obtain sanction of the Local Government, but as on previous occasions I had been given to understand that all matters connected with the Meteorological Department of Madras had to be sanctioned at Calcutta, I deferred applying. In this however I appear to have been mistaken, and much regret the delay it has occasioned.

As the pensioner V. Gashachella Naidu is now quite blind, I trust the Government of Madras will kindly sanction his retention in the service for the period named, viz., from the 28th of March to the 31st of May 1885.

The Chief Secretary to Government,
Fort St George.

Sir,

I have the honor to request the favor of sanction of Government for the retention in the service of V. Sashachella Naidu, late Meteorological assistant at Madras from the 28th of March to the 31st of May 1885, under section 109 of the Civil Pension Code, to enable him to draw the pay due to him for work done during that interval.

The circumstances under which the Treasury Officer at Madras refused to disburse the pay due were as follows:

V. Sashachella Naidu had been absent on leave for over six months, and acting assistants had consequently to be sent from this Office, causing great inconvenience. Previous to this, V. Sashachella Naidu had given no little trouble by refusing to reduce his observations, which was a part of his duty, while drawing pay at the rate of Rs 40 per month, as other similarly well paid assistants of this Presidency were required to do.

After his leave, he pleaded illness and failing sight, and that he was, consequently, unable to make small figures. Two Medical Officers refused to give him a certificate, but on the death of the Civil Surgeon of Madras, he applied to his successor and obtained the required document dated the 28th of March 1885, without proper reference to this Office.

In the meantime, illness and other circumstances obliged the acting Madras assistant to return to Madras, and on hearing that Sashachella Naidu had recovered sufficiently to be able to take the dai-
