Simla, the 11th May 1889.

Sir,

In continuation of Mr Lawrence's Circular No 49 dated the 3rd August 1887, I am directed to forward for information and for deposit in the Government Central Museum 5 copies of a corrected list of Photographic Negatives of Ancient buildings and Antiquities of the Bombay Presidency which has been drawn up by the Director General of the Archaeological Survey of India, and to say that similar lists for the other Provinces will follow in due course. I am to add that a proposal is under consideration to make a complete collection of prints of such negatives for the Imperial Museum and arrangements can at the same time be made for obtaining duplicates of all or any of the prints which may be required by the Government of Madras. The cost would be a provincial charge.

I have the honor to be,

Sir,

Your most obedient servant

J. W. P. Muir Mackenzie

Under Secretary to the Govt. of India.
