Note for H.M.

As no copies of Reuter's telegrams had been received for many days in the Govt. office, the Telegraph Master,ootacamand, was requested by memo dated the 10th June, to state the reason.

In his reply, dated 11 June, he states that the reason is the absence of the Chief Secy for ootacamand.

The reason for the supply of these telegrams to the Govt. Office is not very clear; there seems no sufft. reason why the Secretaries to Govt. should not wait to see the emails of items of European news telegraphed by Reuter to the till the newspapers come. But, the supply of the telegrams being permitted, it is clear that the action of the Secy of Telegraphs is wrong. The Reuter telegrams can hardly be supposed to be supplied solely for the information of the Chief Secy. The Secys in the Revenue, P.W. & Military Depts have at least an equal interest, in what is after all merely a matter of curiosity.

Moreover the Telegraph Dept. has recd. no orders to cease sending the telegrams, & as a routine matter they ought to have been sent unless countermanded by Govt. May an order be issued accordingly?
