GOVERNMENT OF MALAYSIA

GOVERNMENT OF N. C.
With reference to G.O. 5th Feby. 1889 No 123, I respectfully request that the following statement of the position I am in may be placed before Government. When I was ordered some four years ago to divert myself of my interest in land in Travancore, I assigned the same by deed of transfer to my brother in Trust for my wife. I beg to enclose a copy of the Transfer which Govt. have not yet seen. Having thus created a trust in favour of my wife, her heirs & assigns, I understood that the trustee cannot divert himself of the trust unless for adequate valuable consideration or by transfer to some other trustee. Govt. took two exceptions to this deed of trust, first, that the trustee is my brother; 2nd ^{that} by the use of the term "assigns", my wife can assign the property to me at any time - To obviate the first point, Govt. directed me to make over the Trust to the official trustee. Accordingly, I entered into correspondence with that officer, only to find that he had no authority to assume a trust over a property in Travancore; and on reference to the Travancore Govt., they replied that there was no similar officer in their bureau. It has been suggested to me that I might, ^{by} making the Trust more absolute, avoid the possibility of the assignment of the lands back to me by my wife, and that I might desire my brother to transfer the trust to the trustee of
