Madras
8th Feb 1889.
His Excellency the Right Honble
Governor in Council, Fort St. George,
Madras.

I humbly beg to approach
your Lordship, the following request, hoping to obtain
redress.

I am a poor and respectable Muham-
madan belonging to a respectable family of
Nabobs and was employed till lately
1st July 88 as a Gumastah in the Health
Office having been abolished from the
I am without employment and my old father
small pension of Rs 15 from Carnatic depends
but he is quite unable to provide for him
has a large family with him to support.
much difficulty I got myself a little edu-
cation cannot continue long to pass an exami-
for want of means of support. But I have a
sufficient education to carry on clerical offices
as will be seen from the copies of testimonials
attached.

I did and is doing my best and
has left no stone unturned to get a livelihood
but alas! I cannot as I have passed no exami-
nation though I am well qualified. I fully hope
that a member of the Carnatic family will not be
left out in the dark to die for want of means of
support.

I now humbly crave that your Lordship
would be kind and merciful enough to take my
deplorable case into kind consideration and
grant me the request providing me with the post
of last place in Madras Collector's Office or in
General post office as I am a family man
having 5 souls with me starving day and
night in this land hoping for the protection
of your Lordship.
