GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers :—

From H. MOBERLY, Esq., Acting Sub-Collector, Godáviri District, to the Collector, Godáviri District, dated Godáviri, 26th March 1889, No. 157.

Formerly Sub-Collector and Head Assistant Collectors had dressers attached to their offices. Now nearly all dressers have been withdrawn. As we have often to visit places where no medical aid is procurable (I am now travelling in Rampa without a dresser, as there is none available), I submit that each Divisional officer should be furnished with a medicine chest for the use of himself and his establishment. The District Surgeon whom I consulted on the subject concurs with me and suggests that application be made for a "D scale box" of prepared medicines which he says is small, convenient and cheap, and contains every thing likely to be required.

No. 15.

Endorsement on the above.

Submitted to Government, Judicial Department, with request that four "D scale boxes" may be sanctioned.

One for the Sub-Collector.

One for the Head Assistant Collector.

One for the Assistant Collector or Deputy Collector in charge of the Principal Division.
