Madras, the 18 June 1889.

Sir,

With reference to the statements of
deaths from Principal Diseases in the town
of Madras during the week ending the
17th and 24th ultimo, respectively, I have
directed to request that attention of the Medi-
cal Board may be drawn to the fact
that the answers given to some of the
queries on the accuracy of the statements
are not satisfactory. For instance the
reply to query no 2 in each case should
be "seasonal variations" and those to
query no 1, should be "no epidemic ten-
dency".

I have the honor to be,
Your most ^{obedient} servant,

J. P. Hewell.
