to request that, with a view to the assimilation of the practice in the Madras Presidency to that which prevails in other Provinces, steps may be taken, with the permission of His Excellency the Governor in Council, to cancel the rules at present in force regulating the readmission into the Madras Medical College of Civil Hospital Assistants who have been permitted while drawing pay to prosecute their studies for a further term for the purpose of qualifying for the rank of Assistant Surgeon. I am to point out that the rules in question are based on an obsolete General Order† of the Government of India which was originally intended to apply to Military Hospital Assistants only and which, even in regard to them, has been superseded since the year 1884. No separate class of Civil Hospital Assistants existed in 1868 when the General Order referred to was promulgated, the distinction between the Civil and Military branches of the service not having been introduced till 1878, under Home Department Resolution No. 16, dated the 9th January of that year. No provision was then made for the grant to Civil Hospital Assistants readmitted into College of pay while studying to qualify for Assistant Surgeoncies, and I am accordingly to request that with the permission of His Excellency in Council the local rules on the subject may now be so revised as to provide that a Civil Hospital Assistant readmitted into the Madras Medical
