PUBLIC DEPARTMENT.

READ—the following paper:—

From J. F. FINLAY, Esq., Deputy Secretary to the Government of India,
Department of Finance and Commerce, to the Chief Secretary to the Gov-
ernment of Madras, dated 24th June 1889, No. 3196.

In reply to your letter, No. 375, dated the 29th April 1889, I am directed to say
that, as any fee levied for the analysis of the samples of beer sold in the Civil and

payable from Imperial revenues, and not by a Foreign body, no fee should be levied.

ANNEXURE.

From T. W. RAWLINS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 14th January 1889, No. 58.

I have the honor to submit the following case for the information and orders of Government.

2. In October last, a sum of Rs. 175 was paid by the Civil and Military Station administration, Bangalore, to the Chemical Examiner, Madras, for analysing 7 samples of beer, sold in that station, sent by the Residency Surgeon under the orders of the Resident.

3. The analysis of these samples appears, from an answer of the Resident to a reference upon the subject, in his letter, Nos. 4372-1648, of the 22nd ultimo, herewith forwarded (to be returned), to have been made in the interests of the British, and not of a Foreign, Government.

4. The levy of fees by the Chemical Examiner in such a case was not apparently contemplated in G.O., in the Public Department, No. 1733, of the 26th December 1877, by which a scale of fees for analysis made for municipalities, private parties, and Foreign Governments was laid down for his guidance. I have, therefore, the honor to request that Government will be pleased to reconsider their order, No. 411, Public Department, of the 17th of April last, a copy of which is attached, by which the levy of fees in this instance was authorized, and direct the Chemical Examiner to refund the sum of Rs. 175 received by him for a service performed strictly in the interests of the British Government.
