GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From Brigadier-General M. C. FARRINGTON, C.B., Adjutant-General, to the Secretary to Government, Military Department, dated Ootacamund, 27th June 1889, No. 1445-N.A.

I have the honor, by desire of the Commander-in-Chief, to forward, for the information of Government, letter No. 891, dated 18th instant, from the Superintendent of Pensions, submitting a report regarding the employment of pensioned soldiers of the Madras army in civil capacities for the period between October 1888 and March 1889, and to say that His Excellency considers the report a satisfactory one, showing a steady increase in the number of pensioners employed, and the scheme to be working well generally.

2. I am to request that the report, now submitted, may be printed and circulated in the Public Department. His Excellency proposes, as before, to send a copy to the Madras Press.

ENCLOSURE.

From Lieutenant-Colonel S. L. HUNT, Superintendent of Pensions, to the Adjutant-General, Ootacamund, dated Fort St. George, 18th June 1889, No. 891.

I have the honor to forward, for the information of His Excellency the Commander-in-Chief, a report and return regarding the employment in civil capacities of Pensioners of the Madras Native Army.

REPORT by Lieutenant-Colonel S. L. HUNT, Superintendent of Pensions, on the employment of Pensioners of the Madras Native Army in civil capacities, agreeably to the scheme promulgated by His Excellency Sir Frederic Roberts, Bart., G.C.B., G.C.I.E., V.C., late Commander-in-Chief, Madras Army.

FORT ST. GEORGE,
18th June 1889.

The report dated the 29th January 1889, after the scheme had been in work for three years and nine months, showed 2,510 pensioners as remaining in employment on the 30th September 1888, under the new conditions.

2. Between October 1888 and March 1889, a period of six months, employment has been found for 540 pensioners, which added to the 2,510 employed pensioners above alluded to, gives a total of 3,050 pensioners.

3. Of this number (3,050), 317 are reported as having voluntarily resigned employment, 68 as having been thrown out on reduction, 12 dismissed for negligence of duty, disobedience of orders, &c., and 14 died, leaving thus on 31st March 1889, a total number of 2,639 pensioners employed under the new conditions.

4. A careful check is kept upon the working of the scheme which has now been on trial for four years and a quarter, and the steady increase in the number of men employed testifies to the continued appreciation of the public towards this source of obtaining labor. The Press has also done much to further the scheme by the ready and kind encouragement it has ever given with its pen, and by the periodical publication in its columns of these "half-yearly reports."

161.08.

5. On the 31st March 1889, there were 697 candidates for employment at the different stations in this Presidency, viz:—

Arcot	5	Madura	5

Nominal rolls of these men, giving their ages, stations, nature of employment required by them, &c., &c., have been printed and circulated freely throughout the Presidency.

6. Registers of pensioners employed and candidates for employment are carefully kept up at all the pension stations, and are periodically checked by the Superintendent during his tours of inspection.

7. Of the 969 pensioners who remained in employment on the 30th September 1888 (*vide* last report), which employment they had found for themselves prior to the introduction of the new conditions, only 868 pensioners remained in employment on the 31st March 1889, showing thus a decrease of 101 pensioners since last report, and which number is accounted for as follows:—

Total	101

Thus the number of pensioners employed on the 31st March 1889 stood as follows:—
