My dear Sir,

14.7.89

With reference to
my letter No 4/380 of 13th
inst. reporting that difficulty
had been experienced by
Dr. Pemberton in getting the
information necessary
to enable him to fully
organise medical relief
in the Panyam District
I write to say, that another
telegram has just arrived

reporting that the
Collector has furnished
the necessary details.

No action will therefore
be necessary now as
para 1 of my letter of
yesterday.

I am glad to add
that, in the orders issued
with reference to
sundry up medical
subordinates and
medical supplies,

The Collector's require-
ments have been
anticipated.

Yours truly
Lidia

for relief works to be opened are being sent up,
as well as a reserve of cholera medicines. These
medicines are in addition to supplies sent up on
the requisition of the District Surgeon.

3. As regards the clerks, peons, stationery and
advance of Rupees 300 for contingencies —
required by the District Surgeon, it is presumed
these will be furnished by the collector's department.

4. Dr. Pemberton has been instructed to carry
out his special duties in accordance with
Chapter II of Sanitary Code.

I have the honour to be,

Sir,
your most obed^t servant,
