[illegible]

Y^{rs} I have been involved with
the no years. My business

is needless and harassing to
its industry in a few weeks

has no existence as the to have

to passengers & return, I

have recently forwarded to the

Y^{rs} I have been seen from the

official correspondence that the

Collector of the District is not

of my power and although I

have not his authority in regard

to the communication

of Mr. H. J. Garton, a member of the

District is concerned in the

matter of the White Sulphur Springs

Y^{rs}

into the service of the
the following may be induced
to undertake a line of
recommendation to his Successor
and so save the way for my
coming up to His Lordship.

I like under the liberty of
expressing the opinion (and opinion
is infinitely varied by some
members of the Government)
that the right to the Ganges
and the neighboring District
& River is to be annexed to
the Central Provinces to which
it would soon be connected
with a Railway as they would
be

to appear a sea board and
then the medical scarcity
famine in these parts
was indeed so what
official opinion may be then
can be no reasonable doubt
that we are in the midst of
serious distress in Georgia.

I am in the midst of asking
his Excellency to send
some and I am sure that
that even in this distressed
of the earth they may speak
good of his name

Yours most obedt
