From G. Bidie Esq. M. B., C. I. E.

The SURGEON-GENERAL WITH THE

GOVERNMENT OF

Potacumund
Port St. George

To

The

Chief Secy. to Government
Public Department

With reference to the letter from the Government of India communicated to me under Public Department Endorsement No. 575 of 4th July 1889, I have the honor to observe that the Government of India is apparently under the impression that hospital assistants in this Presidency are allowed to draw pay while studying at the Medical College to qualify for assistant surgeoncies, without doing any Government work. This is not a fact; they are invariably attached to Presidency Hospitals where they do duty in common with other subordinates. The only concession shewn to them is that they are allowed to quit the hospital during college hours.

2. A circular has however been issued cancelling the rules hitherto in force and stopping future re-admissions to the College
