SIR,

With reference to G.O. No. 7426 Public
dated 21st July, 1889, I have the honor to
acknowledge for the information of Government
in respect of a letter from the Government
dated 12th July and to report that Rs. 400 (four
hundred) being the full amount of the
Indemnity Board, has been recovered from
34 other hospital assistants R. V. M. Pillai
Pillai No. 416 and credited to Government.
2. I have to recommend that the hospital
assistant be dismissed from the service
and his dismissal notified in the Fort St.

5- The bond entered into by A. V. Moothappa
Pillay is for Rs 400 and it is conditioned
for becoming void if he at all times
during his continuance of service indemnifies
Government from and against all loss, costs,
damages and expenses which may be sustained
by Government on account of any failure

on the part of ~~H. V. Muthia~~^{ppa} Pillay in
the performance of his duties as (inter alia)
a Civil Hospital Assistant. I am of
opinion therefore that Government can
recover from ~~H. V. Muthia~~^{ppa} Pillay on
his bond such sum not exceeding Rs 400,
as Government can prove they have lost
by his breach of contract. In L. O. dated
31st ultimo No 1276 - I see Government suggest
that the damage would be a pro-
-portion of the cost of ~~V. Muthiappa~~^{ppa}
Pillay's education as the period of his
unfulfilled service bears to the full
term of his contract. I fear this would
be very difficult of proof as it would, I
should think, be next to impossible to
arrive at what the cost of the education of
any individual student is. I think
however that Government could re-
cover the two years allowance as a
university student at Rs 7 per mensem
or Rs 168 and the two years allowance

as

as a student at Rs 9 per mensem or
Rs 216 making a total of Rs 384 or very
nearly the amount of the bond.
