C. F. MacCartie Esq

Collector, Algiers

I have the honor to acknowledge receipt of yours of the 27th June 1894.

I believe the information I am asked to give as by your official letter of 20th Feb. 1894 is because I have been purchasing Drugs &c from the Madras Medical Stores. I do not intend to apply to the Medical Stores for any further supply of any sort but am getting everything the Valley Dispensary requires direct from England. I must therefore decline to give the abstracts asked for.

We have been in the habit of attending to
and giving Physic to all sick people whomsoever
they may be whether employed in the Valley
or not gratuitously hence my reason for apply-
ing to be allowed to buy physics from the
Medical Stores; but I did not for a moment
contemplate Government interference in the matter
on the arrival of our supply of drugs from Europe
attendance and medicine will be given to the
Valley Sick only: all others will be told to go to
the District Board Hospital fundalier.
