GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers:—

From T. W. RAWLINS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 8th May 1889, No. 1468.

With reference to G.O., No. 1733, dated 26th December 1877, sanctioning a scale of fees which the Chemical Examiner, Madras, or a Zilla Surgeon, in this Presidency, is entitled to receive from Foreign Governments, Municipalities, and private parties for analysis made for them, I have the honor to invite attention to the ruling contained in later orders of the

1. Government of India, Financial Department, No. 2679, dated 31st August 1878.
2. Government of India, Financial Department, No. 1600, dated 9th June 1882.
3. Government of India, Financial Department, No. 59, dated 4th January 1889.

Government of India quoted in the margin, which lays down that "all Municipalities and funds administered under a local Government, inclusive of Port Trust Funds and Wards' estates, are entitled to the gratuitous advice and services of officers of the Public Works Department, and of all Government medical, sanitary and educational officers, whenever these can, in the opinion of the local Government, be given without detriment to the public service," and to inquire whether Municipalities should not now be exempted from the payment of fees for chemical analysis performed for them by the Chemical Examiner or by District Surgeons.

Reference, dated 9th July 1889.

The Chemical Examiner is requested to submit a statement showing the number and description of analyses made by him for Municipalities during the last three years, and the amount of fees received therefor.

(By order.)

MADRAS,
16th July 1889.

(Signed) J. L. VANGEYZEL,
Ag. Chemical Examiner.

ORDER—dated 12th August 1889, No. 684, Public.

The Government considers that the view taken by the Accountant-General in his letter read above is correct. The number of analyses required by Municipalities is small, and the services of the Chemical Examiner and of Medical officers in respect to them can, in the opinion of His Excellency in Council, be rendered without detriment to the public service. The word "Municipalities" will accordingly be struck out in G.O., dated 26th December 1877, No. 1733.

SIR,

With reference to G.O. No. 1468 dated
26th December 1877, sanctioning a scale of fees which
the Chemical Examiner, Madras, is entitled to receive from
in this Presidency, is entitled to receive from
Governments, Municipalities, and private parties for
analysis made for them, I have the honor to invite
attention to the ruling contained in late orders of
the Government of India, quoted in the margin,
which lays down that "all Municipalities and
funds administered under a Local Government,
inclusive of Port Trust Funds and Banks' Funds,
are entitled to the gratuities, advice and services
of Officers of the Public Works Department, and
of all Government Medical, Sanitary and
Educational Officers, whenever these can, in the
opinion of the Local Government, be given with
detachment to the public service," and to enquire
whether Municipalities should not now be exempted
from the payment of fees for chemical analysis
performed.

The order quoted by the last sent would
seem to be a very comprehensive one and
to take in the Chemical Ex.
