As the cost of freight is large. It is rather hard that the Maharajah should have to pay these when the packages are needlessly sent back to a point in London. This fact might perhaps bear the charge? or India might be (in order)

GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

READ—the following paper :—

From W. A. WILLOCK, Esq., Acting Collector, Vizagapatam District, to the Chief Secretary to Government, dated Vizagapatam, 20th July 1889, No. 2227.

As instructed in G.O., No. 561, dated 1st instant, I have the honor to inform you of the despatch of the articles presented by the Maharaja of Vizianagaram to the Imperial Institute by S.S. *Asia* in five cases. They left this on the 17th instant, and were to be transhipped at Madras. The cases were addressed to the Secretary of State for India, London. Bill of lading furnished by the steamer agents is enclosed for submission to the Secretary of State.

2. I have asked the Maharaja's manager to remit to me the freight and other charges, amounting to Rs. 602-1-0, incurred in the conveyance of the packages to London.

ORDER—dated 12th August 1889, No. 685, Public.

The Government of India will be informed of the despatch of the articles to the India Office, as directed in paragraph 2 of Foreign Department letter, dated 23rd September 1887, No. 4246-I, the bills of lading being also forwarded for despatch to the Secretary of State.

2. The Collector is requested to take no further action in respect to the recovery of the freight charges from His Highness the Maharaja pending further orders.

(True Extract.)

J. F. PRICE,
Chief Secretary.

To the Collector of Vizagapatam

LETTER—to the Secretary to the Government of India, Foreign Department, dated Ootacamund, 12th August 1889, No. 686, Public.

I am directed to forward copy of Proceedings of this Government marginally noted, and the bills of lading therein referred to, and to inquire at the same time by whom the freight charges referred to in the Vizagapatam Collector's letter are to be defrayed. Considering that the articles in question, which are of very considerable value, were presented by the Maharaja of Vizianagaram to the Imperial Institute, and were returned to this country by a mistake with which he had nothing to do, it would, in the opinion of this Government, be a most ungracious act to burden the Maharaja with the charge of their retransmission to London. I am to suggest that the cost might be fitly borne by the Imperial Institute or by the India Office.

Chief Secretary.
