OFFICE OF SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS,
Placement, 9th August 1889.
No. 492
From L. Bidie Esq. M.B., C.D.,
THE SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,
PORT ST. GEORGE,
To THE Chief Secretary to Government
Public Department.
SIR,

On receipt of L.O. No 604 dated 12th July 1889,
the Principal Medical Storekeeper was
requested, with reference to para 2 to be good
enough to ascertain, if possible, the dates on
which the supplies of cholera medicines
issued from the store depot for Ganjam in
March, April and May were actually shipped
by the Agent for Government Consignments.
2. In reply, Dr. McVittie has forwarded a
return giving the required information,
which I have now the honour to submit in
original to His Excellency in Council, together
with Dr. McVittie's covering letter. The dates on
which the several consignments were —
shipped as well as the memoranda in the
column of remarks were supplied by the
Agent for Government Consignments and
from these, it appears, that his department
was responsible for such delay as did occur.

Yours
T. Under

Under this explanation, I trust His Excellency
will be pleased to exonerate the Principal medical
storekeeper from the charge of delay in connection
with the receipt of the supplies by the consignees.
The statement given in my letter no. of 334
of 31st July 1889, recorded in the order under
reply shows, that all the indents were promptly
issued from the stores on receipt of telegraphic
or other requisition.
