We have nothing to do with the accident
 connected with the transport which is desired
 by the Society, and we leave the physical
 relations of the Society to the management to
 follow the course of their own wisdom. Their own
 agents, I think, are more capable of right
 policy in this matter, and I leave the physical
 relations to them.

256, UNION STREET,
ABERDEEN, 4th July, 1882.

I have pleasure in certifying that Mr. M. J. WRIGHT, M.B., acted as one of my Clinical Clerks in the Medical Wards of the Royal Infirmary, and that he discharged his duties to my satisfaction.

From my acquaintance with Mr. WRIGHT's professional attainments and general character, I consider him well qualified for the charge of any public medical appointment, and that he would discharge the duties required of him with care and success.

I recommend him as one deserving of all confidence.

(Signed) W. F. SMITH-SHAND, M.D.

Prof. Medicine Aber. University

UNIVERSITY OF ABERDEEN, 15th June, 1882.

Mr. MARTENSZ JAMES WRIGHT has been well known to me since he began his Medical studies. He has invariably been an excellent Student, and he distinguished himself highly in my Class, in particular by the excellence of his dissections. Since he graduated in Medicine and Surgery in April, he has been occupied with me as Assistant Demonstrator of Anatomy in the University, the duties of which position he is performing to my entire satisfaction.

After the Summer Session is over, he is desirous of entering on the practical duties of his profession, and I have much pleasure in being able to say that I consider him as highly qualified to do so, and that I believe he will discharge conscientiously as well as ably the duties of any position in which he may be placed.

Mr. M. J. WRIGHT, M.B., C.M., was one of the best Students of his year. He has given ample proof of possessing superior abilities, which he has carefully cultivated. I can strongly recommend him as well qualified and specially fitted to fill the office of Resident Medical Officer to an Hospital or other public appointment.

Mr. MARTENSZ J. WRIGHT was known to me personally during his studentship at this University, where he graduated as Bachelor of Medicine and Master in Surgery.

Mr. WRIGHT has also studied at Edinburgh University.

Mr. WRIGHT's manipulative skill in Anatomical Work was so pronounced that, after graduating, he was selected by the Professor of Anatomy to act as one of the Demonstrators of Anatomy in this School.

I believe Mr. WRIGHT to be well qualified to practice his profession, and I am sure that he would carefully and conscientiously discharge all duties which might devolve upon him.

CERTIFICATE.

These are to certify that Mr. M. J. WRIGHT acted as Dresser in my Wards for seven months.

Mr. WRIGHT, besides his work in the Operating Theatre, Wards, and Out-patient Department, had charge of nineteen In-patients, and wrote out, to my satisfaction, the histories of twelve of them.

Mr. WRIGHT was a most diligent and intelligent Dresser; he distinguished himself in diagnosis and in case-taking, and I formed the highest opinion of his abilities and acquirements.

(Signed) ALEX. OGSTON, M.D.,

Senior Surgeon, Royal Infirmary, and Lecturer in Clinical Surgery

Present Prof of Surgery Aber University

15, GOLDEN SQUARE, ABERDEEN.

I have much pleasure in bearing testimony to the professional attainments of Dr. MARTENSZ J. WRIGHT, whom I have known well for some time.

During his undergraduate career, Dr. WRIGHT was a diligent and successful student. At the Infirmary, Dispensary, and Hospital for Sick Children, he was very regular in his attendance, and from what I saw of him, especially at the two last named Institutions, I have no hesitation in saying that he has acquired a very thorough acquaintance with the practical departments of his profession.

I have, therefore, every confidence in certifying that Dr. WRIGHT is thoroughly qualified to practise his profession, and to fill any medical appointment for which he may become a candidate.

Surgeon and Clinical Lecturer in Surgery, Aberdeen Royal Infirmary,
Surgeon to Aberdeen Hospital for Sick Children, &c.

MUTHILL, 22nd March, 1882.

I have much pleasure in stating that I was acquainted with Mr. WRIGHT when I was in Aberdeen, that he attended the Church in which I officiated, was a member of one of my instruction classes, and I have every reason to believe that his moral conduct was irreproachable.

Mr. J. Wright M.D., L.S.M., was one of my clinical

very high opinion of Mr. Wright's professional knowledge
and personal qualifications and I can confidently
say that he is not only qualified for the discharge of
every professional duty which may devolve on him but
he may be thoroughly relied upon.
