SIR,

I have the honor to request the favour of very early orders on my No 882 dated the 8th Instant.

I am expecting the Honorable Mr Trotter, Special Commissioner for Emigration to the Mauritius Government, from Calcutta in a few days, and he is anxious to have the question settled before he leaves India as to whether Emigrants registered in either Presidency may be embarked here.

I have the honor to be

There are Nos 16, 20, & 472
the act
The Protector of Emigrants makes
has no authority, to put himself
to transmit or otherwise, beyond
the limits of this Pres. - see
Nos 21. 7. 84 & 1627
to enable
banners recruited at Calcutta
to shipped & makes it to be
necessary.

(1) That the authority of the
Protector of Emigrants at Calcutta
should extend to the M. P. - This
may perhaps be the case - vide
letter from India & Bengal put
up with No. 22. 2. 84

(2) That the Emigration Agent at
Calcutta should apply the recruits
less licensed should be the agent
for the transmission of licenses - it
that the same man should have
been recognized by both the licenses
Bengal ports under No 142 the
act
In the present instance the
proceedings of the Protector of
Emigrants are altogether irregular, the man has
not been licensed
as a recruit. See letter No 26/10 2 84
& I have now found that it is so. See letter No 26/10 2 84

Protector of Emigrants

Act XXI of 1883 is differently worded from
the old Act, and means clearly that
emigrants registered in this Presidency
should be embarked at Madras
and those registered in Bengal
at Calcutta.

3 I must further observe that
the provisions of clause (2) of section 47,
have not been complied with, even
were Lawnpore viewed as "a place beyond
the limits of the Port of Embarkation,"
within the meaning of the Act, which
however I should only include other
Districts in this Presidency.

My Dear Sir Richard 17 Sept 1889

I wrote a line to say that I am sending a few Coolies from here to Mr. Fournier, to enable him to satisfy the Mauritian requisitions for this year. I did the same thing 5 years ago when I was in Jubbulpore, as we could not otherwise have satisfied the Mauritian requirements. The requisition forms were posted to you today by the Assistant Magistrate and Collector of this place, who said there was no objection as Immigration was lawful from Calcutta Madras Bombay.

future guidance, as to whether the Government approve of the view I take that Emigrants recruited in one Presidency should not be transferred to another for embarkation. I do not think the Act contemplates such transfer vide section 47. Clause (1), and the course is I submit undesirable, the surroundings are different, as is the scale of diet, and I may add, that the present batch of Cantonport Coolies have quarrelled at the usual rations, and have had a special diet allowed them.

SIR,

I have the honor to submit copies of certain telegrams and correspondence which have passed between this office and the Hon'ble Mr. J. F.
