Sir,

In reply to your letter No. 57 E.
of the 27th March last, I am directed by
Governor Sir Cecil Smith to transmit
for the information of the Government
of India the enclosed copy of an Ordi-
-nance dealing with Indian Emmi-
-gration, which the Government of the
Negeri Sembilan proposes to enact. This
Ordinance follows the lines of the
Ordinance dealing with the same
subject in the State of Perak, with the
necessary verbal alterations adapting it
to the needs of the states, on whose behalf
a ratification under Section 102 of the
Indian Emigration Act XXI of 1883 is
now applied for.

2. With reference to paragraph 2 of
your letter under acknowledgment, I
am

to footing as Perak &c; and in regard to which the
Governor will be glad to receive the consent of the Gov-
-ernment of India (required under Section 32 of this
Colonial Indian Immigration Ordinance 1884.)
to His Excellency's authorizing Tamil Emigra-
-tion from the Straits to Pahang.

4. As this State is developing very rapidly and
stands much in need of labour, the Governor ventures
to assume such consent will be given upon receiving
the enactment passed by its State Council in the
same terms, mutatis mutandis, as those which
have been adopted in other Protected States fol-
-lowing the lines of our Colonial Ordinance.
5. A copy of this enactment will be forwarded very
shortly.

Sir,

I am directed by Sir Cecil Smith to acknowledge the receipt of your letter N^o 54 of the 27th March with reference to the copy of Emigration Ordinance to be enacted by the Government of the Protected State, "Negri Sembilan Confederacy" prior to the issue of a Notification by the Government of India under Section 102 of the Indian Emigration Act XVI of 1883.

2. Some delay has occurred in forwarding this enactment owing to a formal convention being ratified with the chiefs of this confederacy but I hope to be in a position to address you very shortly in a letter giving cover to such an Ordinance.

3. I am now directed to request that a similar Notification may be issued with reference to the Protected State of Pahang which is now on the same

enactment be bound to repay from 12 to 15 dol. and the monthly deduction from his wages on one dollar to one dollar and twenty five cents. The difference however is not very material and possibly due to greater expense in importing labour into Pahang. The Government of India has therefore considered it necessary to defer the issue of the notification permitting emigration.

I have the honor to be

Your most obedient servant
